

Senior Rebel Football 1977-78

The third game in seven days spelled victory for the Senior Rebel football team as they defeated T.A. Blakelock 14-4 on Friday. Defense was especially strong, however the entire team played to top capacity.

On the offensive end, the Rebels had 150 yards rushing and 30 passing. John Halliburton totalled 90 yards. Steve Crossman gained 30 yards and Gord Miller took 20 yards. Al Bower played a good

game, kicking two field goals for six points and one convert for one point. Gord Miller picked up the point and Dave Paterson added six, with a touchdown. Paterson grabbed the touchdown after scooping up a Rebel fumble and falling

on the ball. Leading the defensive stronghold were: Jim Lindsay, Brian Pendergast, John Halliburton, Paul Allison, John McKee, Jeff Frenette, Todd Beckett and Steve Crossman. Coach McMahon says it is

crucial for the team to win their next two games, (which are both at home) if the team intends to make the finals. On Friday the Rebels meet up with Oakville Trafalgar and next Friday (21) Q.E.P. Georgetown to challenge the Rebels.

Todd Beckett, No. 39, fullback

Al Bower, No. 27, halfback

Dan Cooper, No. 66, tackle

Wayne Doell, No. 14, halfback

Glen Fendley, No. 68, tackle

John Halliburton, No. 34, halfback

Barry Hardman, No. 60, tackle

Ross Jeffery, No. 28, halfback

Jim Lindsay, No. 55, tackle

Paul McCracken, No. 10, halfback

John McKee, No. 52, tackle

Gord Miller, No. 9, quarterback

Dave Paterson, No. 11, h.b.

Paul Sargent, No. 77, end flanker

Dean Weir, No. 67, tackle

ARCTIC SNOWPLOWS
 BUILT TO KEEP YOU CLEARLY AHEAD!

20 heavy duty high roll action blade with 5 vertical reinforcing ribs and protected by a 3 spring tripping mechanism.

Dyna Ramic electric hydraulic pump/control mounted under hood for all-weather security.

Padded custom fit and mount frames available for all popular plowing vehicles.

ARCTIC four-way reversible cutting edge of high carbon steel maintains top efficiency for longer periods under all winter plowing conditions. The high curvature blade design removes over-the-top snow loads, without an extra deflector blade.

ARCTIC SNOWPLOWS Available in the form of 18, 24, 30, 36, 42, 48, 54, 60, 66, 72, 78, 84, 90, 96, 102, 108, 114, 120, 126, 132, 138, 144, 150, 156, 162, 168, 174, 180, 186, 192, 198, 204, 210, 216,
