Local junior curlers do well in bonspiel

By MARG AND STEW TEETZEL

This week was a big one for the Junior Section at North Halton. They played host to the MacDonald's Bonspiel. This is an open spiel in which teams from other clubs are invited to participate. They enter and compete as a team along with teams from the host club. On Saturday there were two draws, starting at 9 a.m. and 11 a.m. and each draw played three games.

Finlay Arnold from MacDonald's presented the trophy to the Don Alley team from Chinguacousy which was the team with the highest combined points from all three games in both draws. This

team also placed first in the 9 a.m. draw. Second place went to the Lytle team from Oakville and third prize was a Georgetown rink skipped by Greg Geofreda with Tracy Treahy, Mike Makovnyk and Julie Partridge.

In the 11 a.m. draw the 3-game high winners were a North Halton team of skip Dave Porter, vice Liz Bowman, second Hal Porter and lead Val Phillips. (This team finished by 1/2 point behind the trophy winners. Congratulations) Second place, also from North Halton was taken by the team skipped by Paul McCracken with Nancy Hamilton, Dave Henderson and Linda Phillips. And third prize went to the

McWhinnie team from Dixie. We hear there were some fantastic prizes presented to the various winners. A special thanks to those who donated them: Bill McNally from McNally Construction, North Halton Golf and Country Club, Silvers, Zellers, McNamara Jewellers, North Halton Sports, Barber's Jewellers, Tack and Tog and of course, MacDonald's.

The day's events finished with a dinner and dancing to the music of disc jockey Peter Skelton. Sounds like a very exciting and exhausting day. Congratulations Juniors!

Next Saturday Nov. 26 is the Mixed Grey Cup Spiel. Good curling and see you on the ice!

The North Halton rink skipped by Dave Porter finished second in the MacDonald's Bonspiel held at the North Halton Golf and Country Club on Saturday. They missed first place by a mere one-quarter of a point. From left to right they are Porter, Val Phillips, and Hal Porter. Absent for the photograph is Liz Bowman.

Novice reps lose their first

The Georgetown Novice Reps lost their first game of the season to Burlington 3-0 last Saturday. Georgetown's general manager Dave Kentner said he figured Burlington would be one of the league's strongest teams before the season began.

Georgetown went into the game rustier than usual because they gave up their practice to the Minor Bantams during the week.

Burlington played a good positional game which led to many two on one breaks. Jeff Perley scored the lone goal of the opening period to give Burlington a one 1-0 lead.

There was no scoring in the second period as the teams played tough, defensive hockey. Sean Finn was a standout on the Georgetown blueline.

Brad Davidson and Brett Swaykoski scored in the third period goals for Burlington to finish off the scoring. Chris Pearson and Jeff Brake played well in sharing the duties in the Georgetown net.

"We played a strong game, but were beaten by a better team," Kentner said. "However, we think Burlington could be in for a surprise when they come here to play us."

Georgetown got back to their winning ways the next day by convincingly beating Brampton 4-1.

Georgetown scored two goals in the opening period. They went to Terry Dixon with assists going to Pat McCarthy and Dennis Doucette and McCarthy on an unassisted effort.

Brampton scored the opening goal of the middle frame as on a Rick Frise effort, but Craig Chantler restored Georgetown's two-goal lead on another unassisted effort.

The only goal of the third period was scored by Terry Dixon with Kevin Lindberg and Mike Chiovitti earning assists.

Lenny Paddles played an excellent game in setting up his linemates, Chantler and Jalme Spiller, for many scoring attempts. Mark Zebidec and Kevin Lindberg also played good positional games. Kentner said Zebidec's improvement has enabled the club to use Sean Finn and Ricky Frasier at both defense and forward.

The team from Chinguacousy won the MacDonald's Bonspiel held at the North Halton Golf and Country Club on Saturday. The team members from left to right are Cathy Frazier, Val Frazier, Bruce Lough and skip Don Alley. Presenting the trophy is MacDonald's store manager Finlay Arnold.

Major Atoms break even

Georgetown Firefighters and McNally Construction managed to get three of a possible six points in Major Atoms action last week.

The team fought Dundas to a 2-2 draw, lost to Milton 2-0 and downed Streetsville 5-1.

In the Dundas game Georgetown took a 2-0 lead on two goals by Mike O'Brien. Assists on first one went to Danny King and Stephen Marolini and Stephen Turner assisted on the second. Dundas kept pressure on Georgetown,

for the final two periods and were rewarded with two third-period goals.

Georgetown ran into a tough Milton club and were unable to get on the scoresheet in a defensive struggle. It was a flat performance for the club

as they failed to finish off their plays.

Against Streetsville Captain Toid Cull led the way by scoring a goal and setting up two others. Wayne Morrow with two, Marcolini, O'Brien had the other goals.

Georgetown's two-goal lead on another unassisted effort.
