Herald correspondent

The tender from Accucon Ltd., of Thornhill for installing water mains in Norval to bring water from Georgetown has been approved by the Halton Regional government at a cost of \$328,436.50 to be completed in 100 working days.

Total cost of the project including the cost of a standpipe at the top of the hill will be approximately \$508,000 which is \$2000 less than the amount budgeted for the project. Plastic pipe will be used. The road allowance that will be disturbed during the work will be restored by the contractors.

Workers are already drilling test holes in the soil and surveying where the pipes will go. Our councillor Pat Patterson expects that work on the mains will commence in three or four weeks. Russell Miller reports that the only approval not received as yet is from the Dept. of Highways, all others have been received and he is hopeful that water for Norval will be a reality soon.

The firm of Proctor and Redfern, who did the original survey, are determining the cost for each home owner. This report should be completed soon.

It really looks as if water from Georgetown will at long last be in Norval taps by late spring or early summer.

The fight for water has gone on for so many years that the many people of the village and on council who worked so hard to make it a reality and became so frustrated with all the red tape and no action from one department to another find it is hard to believe that finally the project has been approved.

The Pine Valley Squares had 3 complete sets out, for modern square dancing on Wednesday evening, November 16th, at Norval School Community Centre. This is the first time that 3 complete sets were out since they started a few weeks ago. They meet every Wednesday evening and anyone in the district interested in an evening of modern square dancing is welcome. This is an evening sponsored by the Norval Community Association with Earl and Flora MacArthur in charge.

Another evening sponsored by the Norval Community Association is an evening of euchre every other Thursday evening with Mrs. Shirley Davis in charge.

Last Thursday evening November 17th the winners for the men were Vi Preston and Keith Webb and for the ladies Louie Alexander and Mrs. Burt. There was a three-way split for the most lone hands prize with Bruce Cunningham the winner. Webb's greenhouses have donated the prizes for the most lone hands.

The next euchre evening will be held on Thursday evening, December 1. Everyone is welcome.

Unit One of Norval United Church U.C.W. met at the home of Mrs. Mable Terry on Thursday afternoon, November 17th, with Mrs. Agnes Miller presiding. She opened the meeting with a poem.

The roll call was answered by "An interesting book I have read" followed by revealing who your unknown friend for the year was by presenting her with a gift. Many were surprised to find out who had been sending them cards during the year.

Mrs. Kate Laidlaw gave the devotional based on John the Baptist, and Mrs. Catherine Laidlaw gave an interesting paper on several readings, "The Donkey" followed by "You don't find a happy life you make it" and ending with "Piping Hot." She also gave the nominating committee's report for 1978-past President - Mrs. Agnes Miller, President, Mrs. Dorothy McLean, 1st. Vice President, Mrs. Marion Laird, Secretary - Mrs. Muriel Wey, Treasurer - Mrs. Eunice Wilson. Social committee - Mrs. May Cleave, Mrs. Kay Wilson and Mrs. Catherine Laidlaw.

The meeting closed with prayer by the president followed by a social time with Mrs. Kay Wilson and Mrs. Mae Shaw and her daughter Mrs. Majorie Lagerquist assisting the hostess in serving a lovely lunch.

The worship service at Norval United Church on Sunday morning, November 20, was conducted by the Couples Club with Mr. Neil Anderson of Brampton, a former missionary to Korea, as the guest speaker.

Mr. Anderson was an excellent speaker and gave an inspirational and amusing talk that will long be remembered.

The men from the Couples Club made up a Men's Choir and they sang two selections. The ladies took various parts in the service.

Rev. R. Walter Ridley, who was in the Men's Choir introduced the speaker and gave the announcements.
