

REALISTIC®

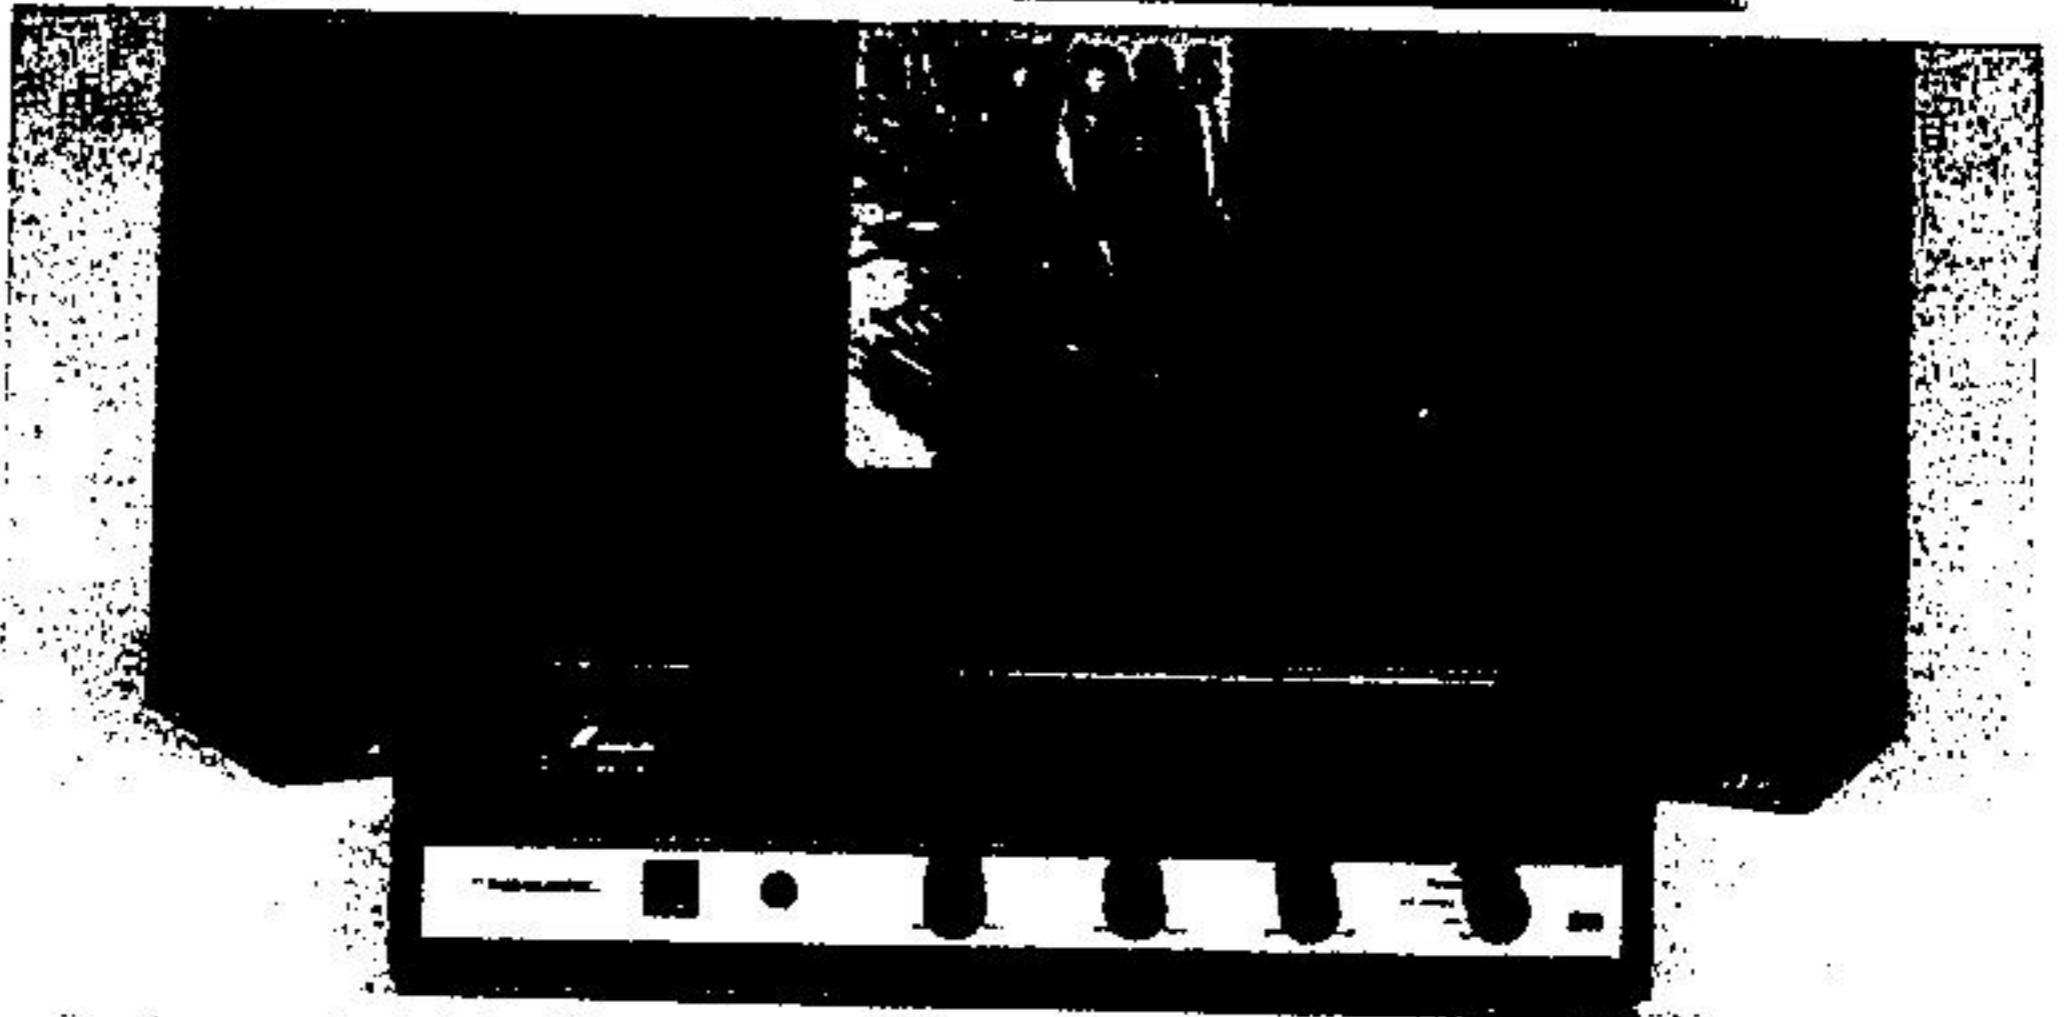

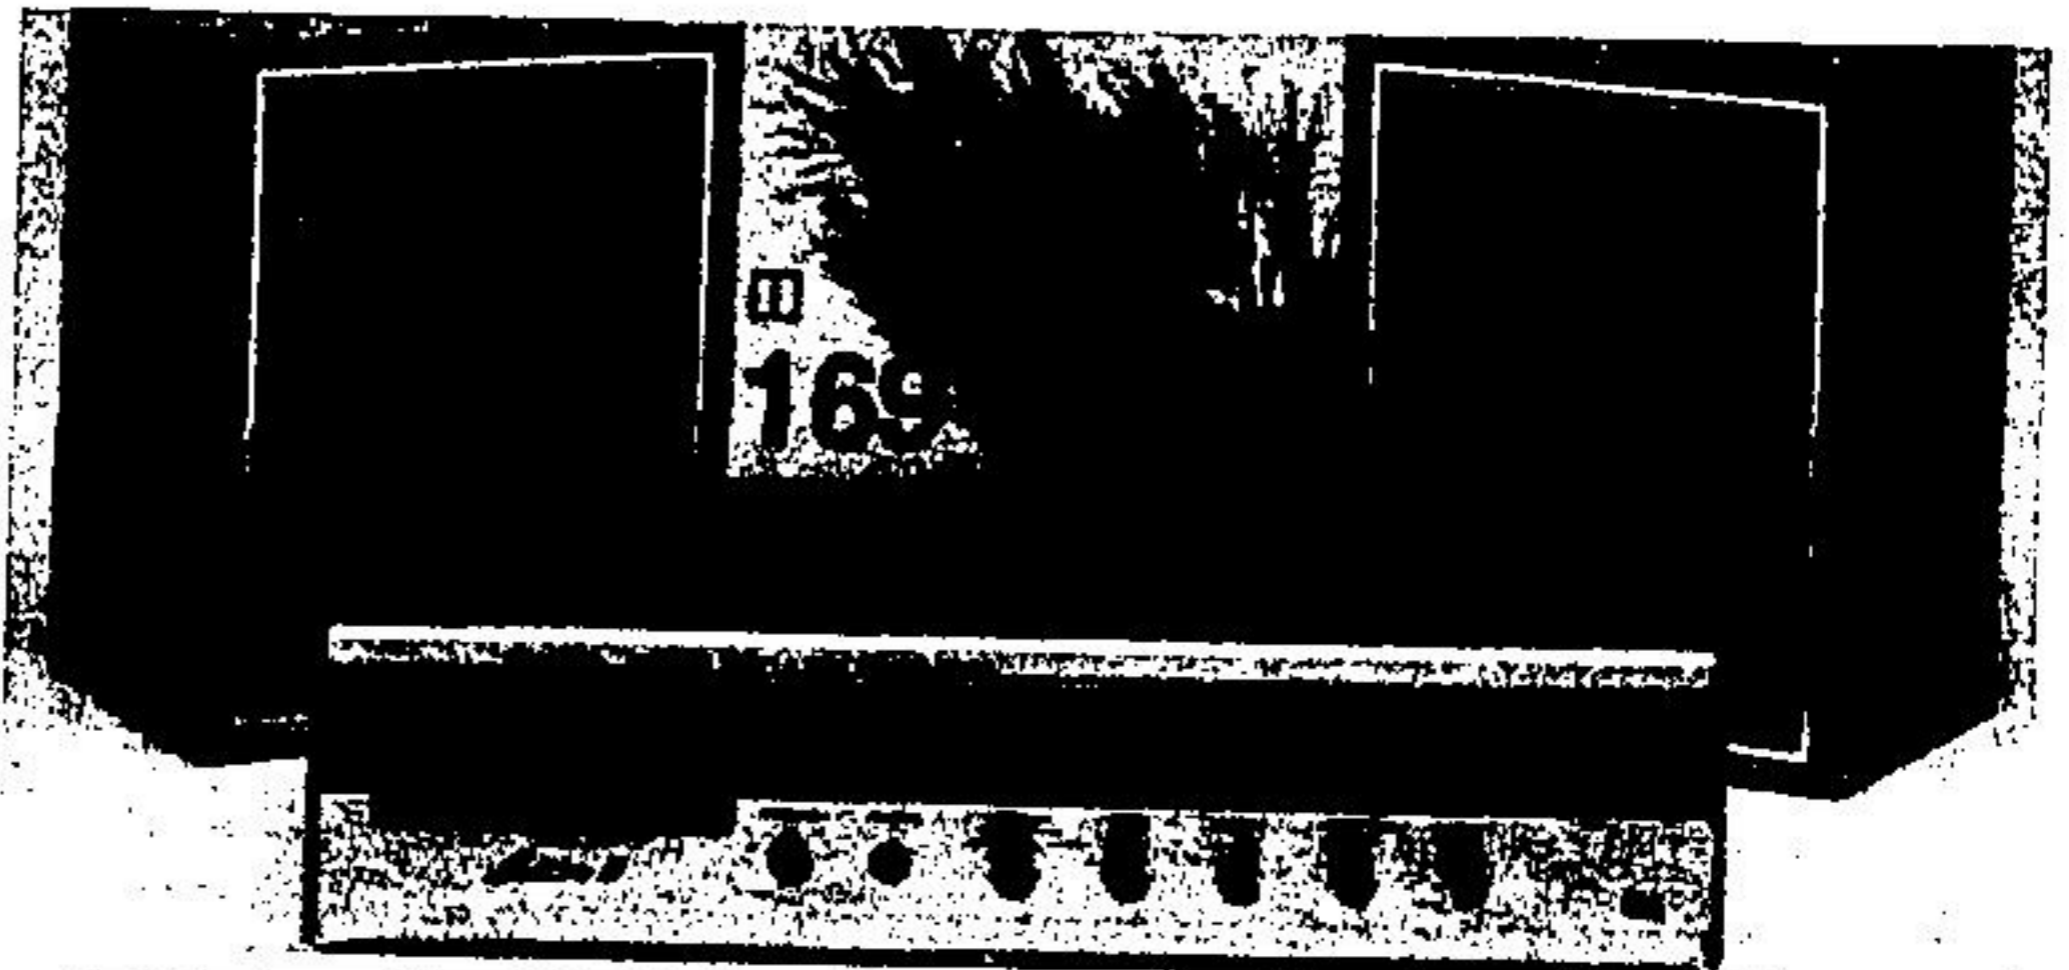

Give a gift of music... in stereo!

I) Realistic® Modulaire-8™A 3-piece music system with AM/FM stereo radio and 8-track tape player. The all-in-one, ready to play stereo combo with Quatravox...just add two more speakers for a rich four channel effect. Has AFC for drift-free FM, phono input and tape output. A Christmas gift that will really be appreciated. 12-1404..... 169.95

J) Realistic® Modulette-8.™ Just plug it in and you're ready to play AM radio, FM or FM stereo radio, or your favourite pre-recorded 8-track tapes. Built-in Quatravox lets you create a rich, four-channel effect by adding two more speakers. Has stereo indicator light and headphone jack. 12-1402..... 139.95

K) Realistic® Modulette AM/FM stereo receiver with two acoustically-balanced speakers. Has built-in Quatravox so you can create a rich 4-channel, surround-sound effect by adding two more speakers. Inputs for phono and tape deck. And best of all, is the low price. 12-1401..... 99.95

L) Low-cost 8-track record/play system, ready to play with built-in amplifier and two stereo speakers. With inputs for a ceramic cartridge record changer, an AM/FM tuner plus jacks for two mikes and headphone jack. Make 8-track stereo tape recordings live, by adding two mikes, or from phono or AM/FM tuner. 14-942. Only..... 139.95

Radio Shack Confused about stereo? Consult with the manager of your nearby Radio Shack Store.
