SANTAS MAILBAG

Dear Santa & Rudolph:
 I am 4 years old. I can't write yet so I asked Mommy to do it for me. Occasionally I am a good boy. I hope you have enough time to visit my house Christmas Eve. I will leave you a coke and some cookies in the kitchen in case you are hungry. This year I would like you to bring me Lift and Load. Also would you please bring my baby Brother, Brad a Tunnyville Train.
 Hope you have a safe trip Christmas Eve and that you and your family have a Merry Christmas. Thank you.
 Love,
 Scott Friend,
 8 Danridge Cres.

delivering the presents. We have a lot of work to do and if we spend too much time at everyone's house we would not get it all done. Maybe we'll get together on another day when things are not so busy for us. As for the ride in the sky, with all the presents we have on board there is not much room left on the sleigh. I see you have asked for ski equipment for Christmas which must mean you love snow. Maybe you can come up to the North Pole sometime, the skiing (cross-country, of course) is fantastic up here. We'll do our best to get your presents to you.
 Your friend,
 Santa

Clause Parade and threw you a kiss. I will leave something hot for you to drink and nanny said you will come where I live too. I am a good boy most of the time and try to do what mommy tells me. Love and kisses,
 Robin Johnston,

Dear Scott:
 It is hard to make it to every house on Christmas Eve, but with the help of Rudolph and the other reindeer, we make it every year. We couldn't disappoint all the good boys and girls who are looking for presents from Santa. I will be extra careful on Christmas Eve when I deliver all those toys. I am sure we will have a Merry Christmas at the North Pole this year. I hope you have a Merry Christmas too.
 Your friend,
 Santa.

Dear Santa Claus,
 I am only a little boy 3 years old so my nanny is writing this letter for me. I live in Mississauga, my nanny and Pa Pa live in Georgetown. I love you and want a chug-a-lug Record player, train and anything else you think best for me. I saw you on Santa

Hi Robin:
 Thanks for the love and kisses you sent. With all the work we have been doing they were really a welcome break. By the time we get around to your place it may be quite late so the hot drinks you're leaving for us will really be appreciated. I remember the kiss you threw me during the parade. It nearly knocked me off my sleigh! We'll see what we can find in the bag to give you. Keep being a good boy and listening to your mommy.
 Your friend,
 Santa.

To Santa Claus
 Can you wak me up wen you come? Can you give me a rid in the sky? I would like skis, ski boots, ski poles, Jaws and Mouse trap. I try to be good most of the time.
 I also would like Magic Hat, a typewriter and a Little Professor Calculator and Das and Junkyard.
 Love from,
 Craig Marshall,

Dear Bobby:
 The cabbage sounds really nice. I'm sure my reindeer will enjoy it. Don't leave much, however, since they will have a big dinner when they get back to the North Pole after I finish my trip around the world. I remember you talking with me and I have your list safely set aside for the big day. Don't worry, you won't be disappointed, I'm sure.
 Be a good boy,
 Santa

Dear Laura,
 I am glad you liked your dolly last year. I hope this year's present will be just as much fun for you. Milk and cookies sounds like a lovely idea, Laura. I get very thirsty on my big trip.
 Have a Happy Christmas,
 Santa
