to deliver to good boys and girls on Christmas Eve. I hope you will be happy with the presents I bring to your house, but I can't tell you what they'll be. That would leave no surprises when you wake up on Christmas morning. Mrs. Santa and I both wish you a Merry Christmas.

Your friend,
Santa

Dear Michel:
Santa is feeling very well, and I am looking forward to my trip around the world on Christmas Eve. I am glad to hear you are working hard learning English. The English in your letter is very good. The presents I bring on Christmas Eve will be a surprise, but I am sure you will like them. I can't print my name in pretty colors the way you did, or draw a pretty picture for you but I can wish you and your family a Merry Christmas.

Your friend,
Santa

Dear Roger and Richard:
Mrs. Claus is well and says Merry Christmas. Ho! Ho! Ho! Have you seen Santa on Christmas before? May be you will see me, but I'd prefer that you be sound asleep so I can leave your gifts under the Christmas tree and surprise you when you awake. Please be good boys, you know Santa checks his list twice before he departs the North Pole.

Merry Christmas,
Santa

Dear Stacy:
I won't forget all the other little boys and girls on Christmas Eve, Stacy. Santa always knows who the good girls and boys are, and he has presents for all of them. Thank you for leaving cake and coke out for me on Christmas Eve. I am sure I will enjoy your snack very much. Merry Christmas!
