We honestly believe that you won't find a better buy on stereo headphones...anywhere!

Novo 15 headphones are not bulky or uncomfortable like some headphones, they weigh only 7 ounces and you hardly know you're wearing them...except for the sound! They produce a full fidelity response of 20,000 Hz, the highest frequency audible to the human ear. Anything more is window dressing...you wouldn't hear it anyway. So if you're interested in superb stereo and the very best value in town, buy now...you may never find a bargain like this again!
