 Johnson Carney 4
 Mark Heideman had the hat trick for the winners with Dave Whitehead and Vince Brandt scoring once each. Gary Lockwood with two, Rod Cook and Pat Tunney scored Carney's goals.

North Halton Curling

By Marg and Stew Teetzel
 Friday December 30 was the beginning night for the mixed second draw and anyone who didn't make it out missed a great night. The holiday spirit was running high and everyone seemed to enjoy their first game. We were sorry to hear that two of our avid curlers, Bobby Phillips and Gord Nugent, had contacted more than the current flu bug and were in the hospital. We all wish you a speedy recovery and hope to see you curling soon.

The Junior girls' Tankard team of skip Val Phillips, Julie Partridge, Tracey Treahy and Linda Phillips travelled to St. George's over the holidays. They were beaten out by last year's provincial champs on the last rock in an extra end. That's good curling girls and a fitting send off for Julie who has been a keen curler at North Halton and is moving to B.C. the first of January.

Warren Brooke and his team of Steve McDermot, Jim Lusby and Doug Collison will be representing North Halton at the Division 9 Men's console playdowns starting the first week in January at the Dixie rink.

The Senior Men's (50 and over) Division 9 playdowns were held recently at North Halton. Jack Bryans' team from Brampton will represent this division.

The mixed section had several teams taking part in a double knockout series over the holidays. They were competing to represent the club in the Seagram's mixed competition. By the time this article is in print there might be a winner but at present Warren Brooke's team of Shirley McDermot, Steve McDermot and Doris Brooke has suffered one loss and Les Ashcroft's team of Doreen and Mike Grefreda and Peggy Cumming is undefeated.

Good luck and good curling! Next week we should also be able to report on Dave Porter's School Boy team which is competing in Brampton this week.

We would like to take this opportunity to wish everyone Good curling in '78 and a Happy and Healthy New Year! See you on the ice!

Barnes and Eutenier lead Gems to 9-3 rout

The Georgetown Gemis solidified their sixth place standing in the Central O.H.A. Junior "B" standings by whipping the Chevy Logan's 9-3 in Brampton last Wednesday.

The Georgetown attack was led by Doug Barnes, who scored three goals and added two assists, and Mark Eutenier, who scored twice and had the same number of assists.

The game was a very chippy affair as the two teams traded slashing, high sticking, elbowing and roughing up allies. Georgetown took a total of 20 minors while Brampton took 16.

Eutenier opened the scoring at the 7:21 mark of the first period on a power play set up by Joe South and Barnes. Barnes then made the score 2-0 as he also tallied on a power play. Assists on that goal went to Chris Milne and Paul Allison. Allison then made the first period score 3-0 on a play set up by Paul Ancinelli.

The Bodnar twins, Grant and Greg, made their debut for the Gems in this game. Bob McCandless, who has been sidelined almost the whole year with a leg injury, also returned to the lineup.

The Chevy Logans cut the Gemis lead to 3-1 with only 1:14 gone in the middle frame. The goal was scored by John Van Bilsen.

Eutenier then scored his second power play goal of the game with an assist going to Ancinelli to restore the Gemis' three-goal lead.

Atoms nipped in final

The Georgetown Firefighters and McNally Construction Major Atoms were nipped 4-3 in the consolation championship of the Silver Stick Tournament held in Bramalea last week.

Wayne Morrow scored two goals in a losing cause. Brent Smith had the other goal on a play set up by David Montague.

Smith put Georgetown ahead early in the game, but the lead was shortlived as Stoney Creek replied shortly afterwards.

Morrow was the undoubtedly the team's offensive leader during the game as he led many rushes and both his goals were unassisted efforts.

However, the captain of the Stoney Creek proved to be a one-man gang as he scored all of his team's four goals. Georgetown goaler Gary Skelton played a strong game in a losing cause.

Georgetown had moved into the final by winning an exciting 3-2 decision over Port Colborne. The game went into a third overtime session before a deciding goal was scored.

The deciding goal was scored by Brent Smith early in the third period to put an end to what was possibly the tournament's best game. The Port Colborne goalie had made saves off the sticks of Keith Rieger and Shawn Coffey before Smith put it over him.

Georgetown had the lead twice before in the game only to see Port Colborne fight back to tie it up.

The scoring was opened by John Barclay with Rieger getting an assist. Georgetown's second goal was scored by Mike O'Brien, from Todd Cull and Wayne Morrow.

Georgetown was defeated by Port Erie 4-1 in the opening game of the tournament to move into the consolation section.

The Atoms play their next game in Milton tomorrow night.

Insulators win 10-4 still in first place

Patterson Insulation won their twelfth game against only one defeat by easily handling Milton on Tuesday in WDH non-contact league action. The Insulators outgunned Milton 10-4 in a wide open offensive game.

An all round offensive effort by the Insulators saw 10 players share in the scoring points. Wells, Marshall and Lightowers each fired two goals while singles went to Klein, Kokelj, Monkton and Cornfoot, Kokelj, Packer, Reid and Lightowers each set up two Patterson goals while Klein, Marshall, Monkton and Yerxa had single assists.

Miller led the Milton attack with two goals and an assist while Derives and Chisholm added single goals. Young had two assists in a losing cause.

Novices go to finals lose to Chinguacousy

The Georgetown North Halton Sports Camp Novice Reys went to the finals of the tournament in Stayner after defeating Orillia and Oshawa, but were downed in the title game 5-2 by Chinguacousy.

The Novices began the tournament last Monday by routing Orillia 5-0. They then came back from a 1-0 deficit on Wednesday to nip Oshawa 3-2.

The team went into the final against Chinguacousy as an underdog. However, for the first two periods of the match it looked like Georgetown might pull off the upset.

Craig Chantler opened the scoring in the first period when he stole the puck at his own blue-line and skated in alone on goalkeeper Gary Grant. Georgetown's leading scorer did not make any mistakes on the play as he moved in close and then beat Grant with a shot in his glove side.

There was no scoring in the second period so Georgetown went into the final 10-minute frame still holding its 1-0 lead.

Chinguacousy tied the score with only 1:34 gone in the third period. The goal was scored on a goal mouth scramble after a shot from the point. The marksman was Doug Widner.

Chinguacousy then went ahead as Andrew Cassels notched his first of three goals. There were still four minutes left on the clock at the time of the goal.

With approximately three minutes left in the game Georgetown defenseman Terry Paddle was injured and carried off the ice on a stretcher. Paddle was not seriously injured, but the sight of seeing their teammate carried off the ice on a stretcher seemed to have an unsettling effect on the Georgetown players.

Chinguacousy scored three goals in an approximately two-minute span after the Paddle injury. Cassels and Widner each notched their second goals and then Cassels completed his hat trick.

With 1:15 left on the clock Sean Finn scored to make the score 5-2. An assist on the play went to Mark Moody.

Bucky Fisher played an exceptional game for the Georgetown blue-line as he handed out many stiff checks in his own zone. Captain Dennis Douette also played a strong game. The whole team performed admirably and had it not been for that lapse in the third period they could have very easily come home champions.

Nation effort to clean lungs

More than two million Canadians have given up smoking and most smokers have tried to do so at one time or another.

"A Canada-wide effort for clean lungs and healthy bodies will be featured during the week of Jan. 22 to 28, when thousands of Canadians will 'JOIN THE MAJORITY', the ranks of the non-smokers." So says Hilda Clark, Chairman of the Halton Council on Smoking and Health.

This up-coming week will be a busy one for them and for scores of other "NEWONS" groups across Canada. The Canadian Council on Smoking and Health through interagency health councils at all levels has these aims: to influence young people not to start smoking, to encourage smokers to quit, thereby saving some of the 30,000 lives prematurely lost annually in this country through cigarette-induced disease, and to promote the rights of non-smokers to breathe clean air, unpolluted by tobacco smoke.

Next week we should also be able to report on Dave Porter's School Boy team which is competing in Brampton this week.

We would like to take this opportunity to wish everyone Good curling in '78 and a Happy and Healthy New Year! See you on the ice!

Smoke affects

Joyce Armour, Halton Lung Association's representative on the Halton Council on Smoking and Health says that cigarette smoking can be harmful to non-smokers, especially if they have heart and respiratory conditions. Merely by being in the same room with smokers, she said, is enough to induce nausea, cause allergic reactions and contribute to the general discomfort of many other non-smokers.

REDDOT REALTY LTD.

REALTOR
