

NEW CHORUS EXECUTIVE

The new executive of the Brampton Townsmen and the Barbershopper of the Year were announced at a dinner-dance at St. George's Anglican Church Hall last Saturday night. They are, front row, left to right, John Barr, director; John Clark, president; Art Burns, Barbershopper of the Year; and Jack Hall administrative vice-president. Second row, left to right, are Jim Pope,

Liturgies chairman; and Roy Saxton, director. Third row, left to right are Bill Hackney, director; Lloyd Robinson, bulletin editor; Bill McChesney, director; and Herb McFeters, secretary. Fourth row, left to right, are Ross Porritt, past president; Mike Perry, treasurer; Stan Clark, director of music; and Bob Lamont, music program vice-president.

News from the Norval district

By DOROTHY McLEAN
Herald correspondent

Dr. Fred Dahms, Associate Professor of the Department of Geography, College of Social Services, University of Guelph gave an interesting and challenging talk on "The Myth and Reality of Planning in Ontario" at the annual meeting of the Norval Community Association held at the Norval School Community Centre on Thursday evening, January 19th with a good number in attendance.

Dr. Dahms emphasized the point that we are burdened by bureaucracy and restrictions. There are so many laws that say you can't do this and you can't do that. He made the suggestion that perhaps people in Ontario do not want planning. Nobody wants somebody else to tell them what to do with their property. Subdivisions and plazas are built for profit.

He stated that major planning lays with council. Planning is deciding what you want in your community so citizens should be aware of what the plans are for their community at all times not just when something involves their property.

Reports from the various executive members were given. Art Reinhardt gave the water report - work in start soon with the river and road crossings to be done first.

Charlie Carney reported for the lighting committee that Sodium Vapour lights had been chosen for the street lights in the village by the majority of the homeowners but the Ontario Hydro say it will be necessary to have a light fixture on every pole along the highway which will add another \$707.00 to the cost of installation. The maintenance costs of the Sodium Vapour lights is lower than other kinds so it was decided to stay with the original choice and Halton Hills council will be advised of this choice.

Hugh McFarlane reported that the community have until June of this year to decide on what to do about the old school. Grants are available for restoration but there is the question of maintenance and what use would be made of the building by the community. If no decision is reached by June the building will be torn down and the space used for recreation, possibly a tennis court.

Jamie Cunningham gave an excellent report on all the recreational activities carried on at the Norval School Community Centre - Ping-Pong, Batten Twirling, Brownies, Norval Neighbours Club, Yoga, Modern Square Dancing, Euchre Nights and Movies for children. The next Euchre night will be this Thursday evening, January 26th and the next Movie Night for the children will be Thursday evening, February 2nd.

George Smith, Chairman of Fundraising, reported that he expects the Winter Dance to be held at the Way-Jay Club, the former Riviera, on Saturday evening, January 28, to be bigger and better than ever but it will take the support of all in the community to make it a success. The beautiful oil painting done by Mr. Vance of the Four Winds Art Gallery, of St. Paul's Anglican Church, Norval, which will be the door prize for the lucky ticket holder, was on display. The picture

now is on display at North Halton Sports store in downtown Georgetown.

Hugh McFarlane spoke briefly about what the Association had accomplished during the first 3 years and suggested a few aims for the future.

The financial report by Mary Robinson, treasurer, was printed on the black board and indicated the need for the dance to be a financial success.

Mrs. Joan Carter gave the Nominating Committee report - retiring after 3 years on the executive were President Hugh McFarlane, Beautification Bob Crawford, and Publicity Dorothy McLean. Elected to the executive were Mrs. Helen Murray, Joe Gomboc, and Dr. J.A. Thomas. The Nominating Committee named Art Reinhardt as the new president. Others on the executive for 1978 are Mrs. Joyce Hutton, secretary, Mrs. Mary Robinson, treasurer, Fred Howse, George Smith and Jamie Cunningham. The Nominating Committee of Mrs. Joan Carter, Rev. R. Walter Ridley, Mrs. Judy Penney and Charlie Carney were reappointed for another year.

Norval Neighbours served donuts and coffee or tea following the meeting and a social hour was enjoyed.

The annual Winter Carnival sponsored by the Norval Community Association held at Norval School Community Centre on Saturday evening, January 21, was a very successful evening with an excellent turnout of families to enjoy the "Fun for everyone" program. The weather was ideal for the outdoor sports of snowmobile rides, skating on the rink and contests.

The young boys had a hockey game and the ladies played Broomball. Both games were called a tie with the playoff to be next year.

A large bonfire patrolled by fireman Harold Newman all evening helped to keep fingers and toes from getting cold between events.

Small trophies were presented to the winners of the various contests at the end of the evening. Winners were Ski Relay Race for men and

Policeman acquitted on appeal

Continued from page 1
that Chief Skerrett had demonstrated he had no concept of assessing credibility of witnesses.

This was because after the disciplinary hearing Skerrett said he couldn't believe the witnesses against Sgt. Field were liars all the time.

Greenwood also said that Sgt. Field was originally charged with assault Oct. 18 but this was reduced to unlawful or unnecessary use of authority Dec. 6. However, this constituted a new charge and section 11 of the Public Authorities Act prevents charges being laid after six months.

Crown attorney Douglas McConnachie disagreed saying the reduced charge was an amendment to the original one and so fell under the Act guidelines. Judge Hoff

agreed. Following the successful appeal Sgt. Field said he feels "fantastic" and expressed appreciation to people who had sent numerous letters to himself and newspapers defending his position. Al Reulens, president of the

Halton Police Association, quipped, "This post came out lily white with three stripes." Earlier Reulens alleged Sgt. Field had been made a scapegoat because Chief Skerrett had been under pressure because of alleged police brutality complaints in Halton.

Rug hooking

A two-week workshop in the pioneer art of rug hooking will be held at the Aetion branch of the Halton Hills Library in April. The workshops will run from 2-4 p.m. on April 15 and 22. The workshop is limited to 15 people, and pre-registration is required. The fee is \$2.50 and supplies can be bought from Shirley Lyons, who is conducting the workshop, on the first day, at an approximate cost of \$7.99.

A DAY THAT SHALL NOT BE FOLLOWED BY NIGHT.

The dominant features of life in this latter part of the 20th century are anxiety and frustration. In spite of all science has learned about our world, it has not been able to teach us how to live together. The more we discover about the past, the less idea we have of where the future is taking us.

The message of the Bahá'í Faith is that comprehension of the meaning of what is happening in the world depends on understanding of God's will for our age. Over 130 years ago, Bahá'u'lláh, Prophet-Founder of the Bahá'í Faith, revealed God's will for today. God's purpose, He said, and the underlying impulse behind the sweeping changes that are revolutionizing our world, is the unification of the entire human race.

As God's purpose is carried out, two clear processes stand out in sharp contrast. The first is basically destructive. Through its influence all the barriers that divide man are being broken down: religious, racial, social and national. And it is painful, as in childbirth pain accompanies the emergence of new life.

The second process is constructive. At its heart lies a Divine Plan created by Bahá'u'lláh to demonstrate beyond all possible doubt the practicality of the brotherhood of man. Through it a global community has begun to take shape in which man's rich diversity is accepted and praised. The building of its new institutions, with its new laws and new spiritual resources is the greatest adventure of our age, and of all ages. There is a part in it for every man, woman and child on earth.

There is a part in it for you. Bahá'u'lláh's Plan: a promise kept.

The Bahá'í Faith
A Promise Kept.

The right and duty of the individual to investigate truth for himself is a basic principle of the Bahá'í Faith. For further information, please write:
