Holstein annual meeting held at North Halton

By Henry J. Stanley Club members and friends met at the North Halton Golf and

discussed the many successful activities of the Halton Club last year and stated how pleased everyone was that James C. Reid, Georgetown 2, and Claude F. Picket, Georgetown 2 were receiving the Master Breeder's Award at the Canadian Holstein Annual Meeting in Toronto on February 8th. This is indeed an honour for these men and for Halton, Ralph Ford, the Halton Club Secretary-Treasuruer received a "Certificate of Recognition" for his eleven years of service in this position. His duties are to be resumed by Bert Stewart.

Hornby 1. Joe Snyder, Hostein-Friesian Fieldman, complimented Halton on having 88 per cent of the dairy herds on production test - the highest in the province. Joe stated that we should not be satisifed until a 100 per cent level is reached. He also stated that since cattle prices are low, now is the time
