

Unique gifts at Amti

Stone Road Mall brings in a specially shop of impeccable taste to the area, Amti.

Privately and personally selected gifts from all over the world are brought right here to Guelph. Amti's is probably the only store of its kind in the area specializing in the unique. Some of the items are one of a kind.

Amti personally travels through the foothills of the Khyber Pass into the Himalayan mountains and to the bazaars of Iran, Syria, Beirut, Jordan and the West Bank.

Oriental or European, Amti's has it all for people who appreciate some of the beautiful things the world has to offer.

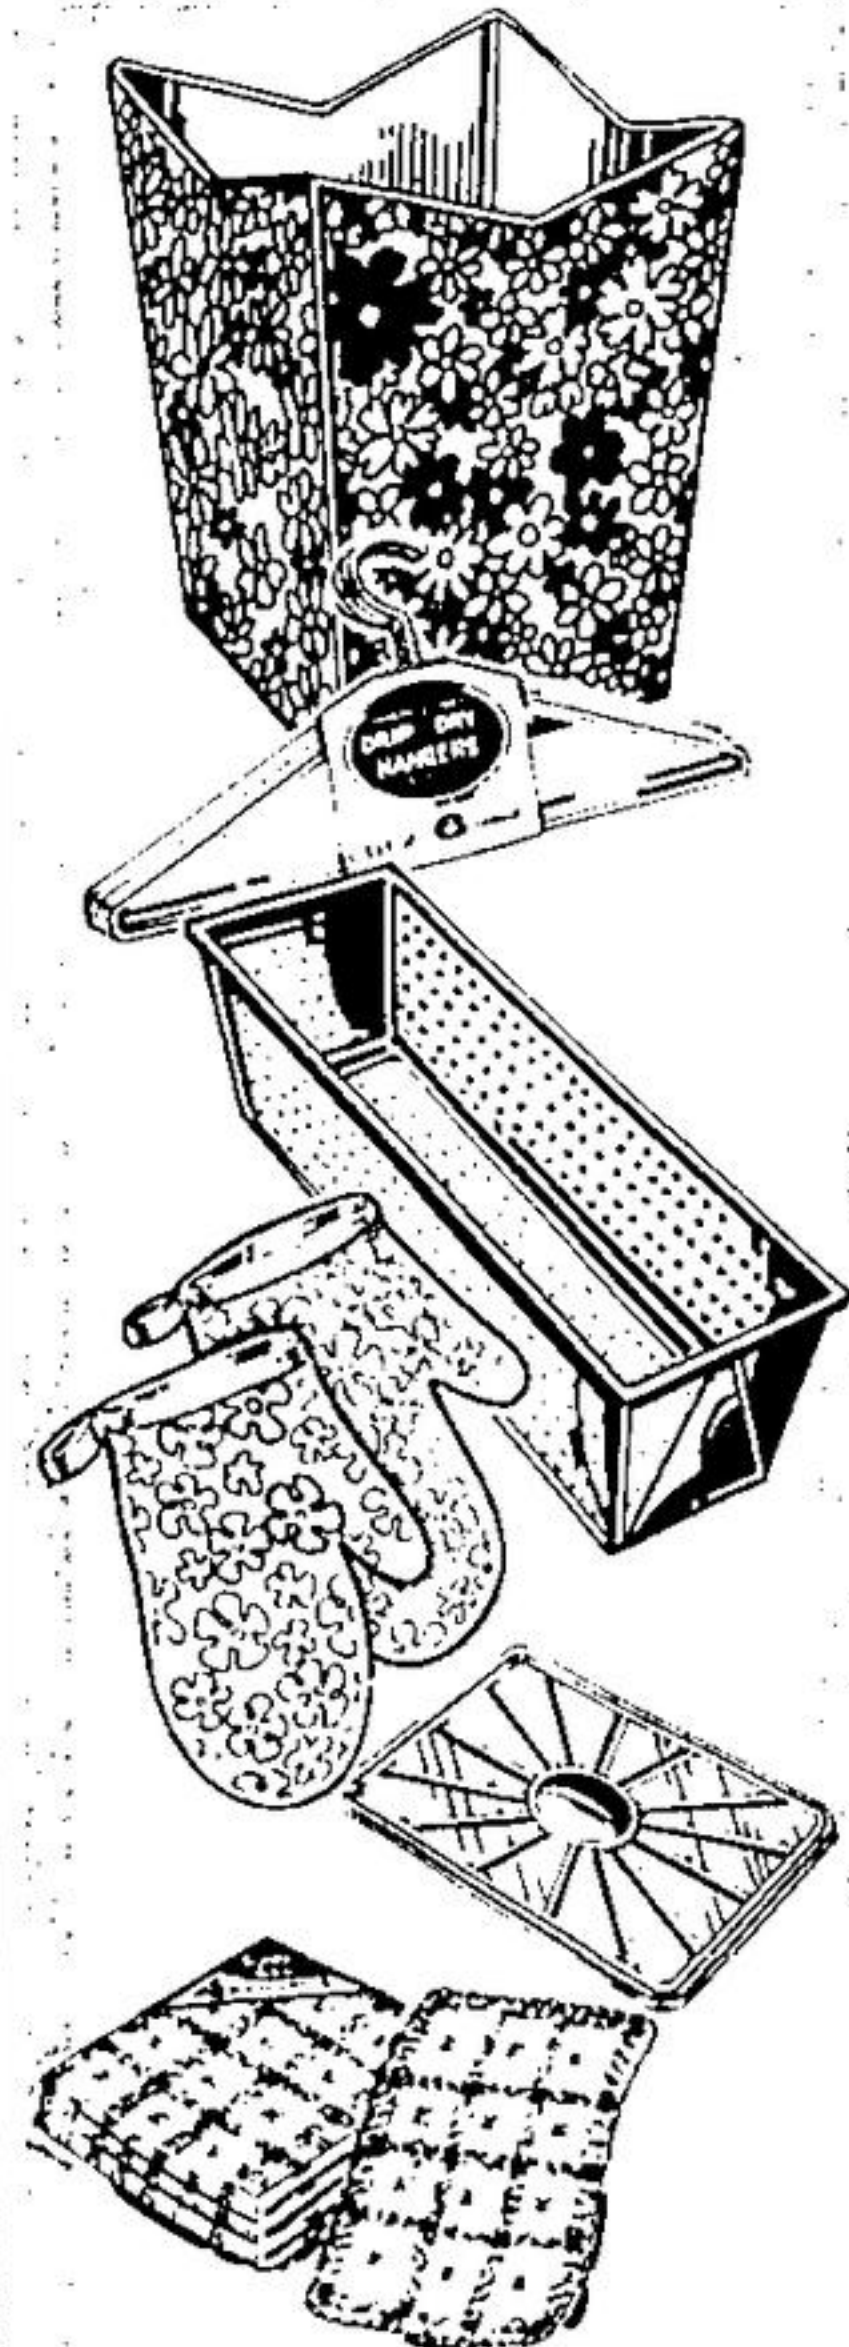

A few examples: From Damascus there are very special velvet evening coats. At one time these coats were worn only by princesses and ladies of high standing in the king's court. They are intricately embroidered with gold threads and pearls.

From the valleys of Kashmir there are shawls of soft Kashmir wool, handloomed by the women there. They are matchless in softness and warmth.

From the Khyber Pass there is a hand-carved rosewood divider which is a real collector's item. Each carved piece tells a tale of life. This piece will grace any living room.

The staff at Amti's speak many languages to assist their customers. They know the personal feelings that go with the purchase of these gifts and want to do their best to make shopping at Amti's a happy and easy experience.

With their customers in mind, they bring the world's best right to our doorstep.

Irene Hill high quality

The Stone Road Mall location of Irene Hill Ontario Limited is no exception when it comes to offering the same high quality and conscientious service of the chain's other stores across Ontario.

The company was purchased by John St. Onge from Irene Hill, an Ottawa based firm, in 1970. At that time, there were four stores.

Expansion has almost been continuous as Mr. St. Onge opened stores in Western and Northern Ontario in 1974. By 1977, there were more than 30 stores in the province.

The Guelph store opened in February 1975, and was the 15th in the chain. Women's wear in sizes 8 to 18 is offered, and co-ordinated and separate sportswear and dresses in the medium price range are offered. A full cash refund within seven days for regular priced merchandise is also offered.

June McAlpine is the store manager.

She serves a large regular clientele, and is style conscious with an emphasis on service.
