

### CVCA issues flood warning

The Credit Valley Conservation Authority (CVCA) was warned this week to expect heavier than normal spring flooding on the Credit River watershed this year.

The warning, from the provincial natural resources ministry, follows tests by the ministry's conservation authorities branch on snow conditions at Terra Cotta, Belfountain and Monora Conservation Areas.

The tests revealed that the snow water content in excess of 150 per cent of normal exists on parts of the Credit watershed and soil moisture content is still high as a result of heavy rainfall last fall.

The CVCA has produced a flood warning manual to assist its staff in alerting local municipal officials and media to possible flooding.

A sudden thaw could cause problems in the Glen Williams, Meadowvale and Chureville areas as well as all streams and creeks running to Lake Ontario through Mississauga and any area where ice is blocked like bridges and culverts, CVCA official say.

CVCA officials said the ministry's warning does not mean there will necessarily be flooding this year.

### Cancer society report

By DEANNA BUTWELL  
The executive of the Halton Hills Unit of the Canadian Cancer Society met at the home of Mrs. Mary DeGuidice on February 22nd.

There was much to be discussed at this meeting, since the executive is now extremely busy organizing and preparing for the upcoming campaign, and also other related activities. Barbara Skinner, the 1978 Campaign Chairman, outlined in detail the plans for this April's campaign. The objective for Ontario is \$7.8 million.

The Society's annual Daffodil Day will be held on Saturday, April 8th. Volunteers will deliver pre-ordered daffodils to the industries, schools, and offices on Friday, April 7th.

Cynthia Green, the office secretary, reported that an amount of \$60 has already been donated to our campaign fund as a result from a raffle held by Mrs. Joanne Keir, of 139 Main Street South. Mrs. Keir very kindly crocheted a bedspread and cushion for the raffle, and the executive of our unit were very grateful for this support.

The Knitting Activity Group has been very busy knitting baby's outfits and toddler's wear, all of which are on sale at the Cancer Society's office at 5 Wesleyan, Suite 203, between 1 and 5 p.m. in Georgetown. Prices are very reasonable, and everyone is most welcome to visit our location to see these beautiful and unique items. Special orders are taken upon request.

A free cancer forum is also being organized by Mary Ellen Bridge, Mary DeGuidice, and Deanna Butwell, for May 10th, at the Georgetown High School. This evening will include films, a panel of local doctors, and a guest speaker, and there will also be audience participation. This is planned as an educational event for the public. Everyone will be welcome.

On Feb. 16 several members from our group attended a Central Counties workshop at the Cedarbrae Golf Club in Markham. This workshop included films, talks, and discussions; all were pertaining to the areas of Education, Service to Patients, Campaign, and Publicity.

It was a very informative day for the volunteers in attendance, and the knowledge they gained will be most beneficial in helping us carry out the Society's work in Georgetown.
