This was a busy week for Georgetown curlers as several rinks were curling out of town and North Halton Business Girls played host to the annual open bonspiel.

On Saturday the Bill French rink of Al Dean, Wally Fenske, and Drew Leverette travelled to Arthur where they were high three game winners and captured the trophy. Congratulations fellas!

Joan Mustard took her rink of Lynn Gerrard, Heather Knight and Ellen Burns to the Weston Golf and Country Club where they won both their games and placed third. Good curling!

Ellen and Don Burns from Georgetown teamed up with trends Bob and Helen Leslie from Chingachussy to enter the mixed spiel at St. Catharines. With a win and a loss in their games they captured third place. Well done!

On March's weekend Warren Brooke's rink of Steve McDermott, Doug Collison and John Jefferson (from Fergus), entered the Flowertown Spiel in Brampton and qualified for the second event. They returned the following weekend and continued their winning streak challenging John Mintern's

rink from Acton in the final game to win the second event. Good curling guys!

Two rinks from Georgetown travelled to Guelph this past weekend to enter the Masonic District Curling Bonspiel. Credit Lodge team No. 1 made up of skip Irwin Noble, Jimingham, Gavin Strachan and Bruce Osborn won both their games against Guelph's Waverley Lodge teams No. 1 and No. 3 to win the district and placed second overall to Brampton Flower City Lodge.

Georgetown's team No. 2 made up of skip Graham Farnell, Trevor Williams, Paul Anderson and Jack Hogg lost their first game versus Cinesoga Lodge but pulled off a big win in the second against Campbell Lodge to put them in 8th place out of 28 teams entered. Sounds like a good day guys!

Belle Broomhead's rink of Ethel Murdy, Dorren Geofreda and Jean Brander entered a two day spiel at Dixie where they won one and lost two.

Jim and Norma Wilson and yours truly the Teezels, entered the St. Patrick's Bonspiel in Welland Saturday. We were had "a great time" but lost both games in the final end. Too bad!

The working girls had their day at North Halton as they hosted the annual Business Girls Open Bonspiel. The winners of the second draw and the Evelyn Holmes Trophy was Marilyn Johnson's rink from the Dundas Granite Club. In second place were "the Owls" from Kitchener Granite

and Bev Savage's rink from High Park won third. Winner of the first draw was the Jane Gillespie rink from Richmond Hill and in second place was Georgetown's rink of skip Peggy Fischer, Bev Zimling, Mary Black, Sandra Capling. Third place went to Marjorie

Flear's Brampton rink. It was a great day!

The men's division held its annual meeting on March 8 and elected its executive for the coming season. President Jack Crichton, vice president Les Ashcroft, Secretary Chris bridge, treasurer Bob Bruce, directors: Mike Makovnyk, Lloyd Trimble, Larrie Wright, Stew Teetzel, Doug Collison, Bill French, Pierce Porter and Warren Brooke.

Bill and Peggy Treahy, Mike and Doreen Geofreda competed in a two day Saturday and Sunday tournament in Stratford where they won two and lost two. North Halton's entry into the Division No. 9 Governor General's Competition held in Milton Saturday and Sunday was team No. 1 skip Harvey Chapel, Ken Phillips, George Shapcott and Graham Thomson.

Racquet Club executive to decide on expansion

The Georgetown Racquet Club will hold a special meeting of its 145 members March 28 at the club on Armstrong Ave. to decide whether to expand the club's squash facilities. Included in the expansion plans are two outdoor tennis courts.

The club is non-profit, member-owned, and administered by non-paid volunteers. Besides the tennis courts, the expanded club will have two international squash courts (it now has two North American size courts), a large spectator gallery, women's change and locker room, lounge and work-out rooms.

"The main purpose of our expansion is to provide facilities for the whole family," said Dr. Dave McEwen, club president.

"Our present building simply isn't large enough for family participation. Over the past several months there has been a growing demand for squash facilities for women and youngsters in the Halton Hills area."

The club is holding a drive for prospective members this month. The objective is to have a 175 members, at least one half eventually being family memberships, Dr. McEwen explained.

"Frankly, we need commitments from prospective members before March 26 to be reasonably certain that expansion plans will be approved by existing members," he said.

"We understand that a few people would rather wait until the new facilities are added before they apply to join. It's sort of a chicken or egg situation."

"To solve this problem, we are asking people to meet a deposit \$500 now as proof of their intention to join when the new facilities are completed

next fall. Of course, if the club doesn't expand, the deposits will be returned immediately."

Squash is one of the fastest growing recreational games in Canada, matching the tennis boom of the early 1970's, said McEwen.

"Once considered a 'rich man's game', squash is now available at reasonable prices. We have some members who play so often that their per-

game cost—considering their annual dues—is only a few pennies.

"Some of our members hardly bother to ask themselves whether they can afford to play. Rather they ask if they can afford not to play."

"The point is that in these days when so many diseases are related to our lifestyle, squash is an ideal way to stay fit and healthy."

ABITIBI APPOINTMENTS

J. Ian McGibbon and William W. Hall are appointments of J. Ian McGibbon as Vice President of the company and William W. Hall as Vice President of the company. The appointments are announced by Amby Paper Company Ltd.

Mr. McGibbon succeeds John F. Hart who resigned after 42 years of service. Mr. McGibbon joined Amby in 1962 and has extensive experience in the New-Print, Bonded, Mill and Corporate Development sectors of Amby's operations. He was Vice President Corporate Development of the company from 1974 to 1977.

Mr. Hall's industrial experience includes management with Craynest, Loip and Paper Company Ltd. and with the company's operations.

In 1968 he became active in the sales and marketing department of new-print pulp and groundwood specialties. He was subsequently Amby Paper Sales Corporation Inc. and appointed Director of Corporate Development in 1974. He is the president of the firm prior to the new appointment.
