MALE & FEMALE STORE SECURITY

The Job
Involves working in a retail store as a Loss Prevention Operator to observe, make recommendations about, and act upon potential loss situations. This includes the apprehension and prosecution of shoplifters, the training of others in loss prevention techniques and the preparation of reports.

The successful candidate will be a high school graduate with a background in security work. In retail supervision, the person chosen must be self confident, have a stable employment record and be eligible for bonding.

The company is a national retail organization offering good working conditions and generous benefits.
