

Judy Cook, the manager of The Hair Loft, gave a sneak preview of what it will feel like getting a hairdo from the new hairdressing salon, which opened yesterday in the rear of the Bamboo Loft. Ladies can now get their hair done and then relax over a leisurely lunch in the Bamboo Loft afterwards.

New salon's in Loft

The Bamboo Loft has added something extra for its lady customers: a hairdressing salon called the Hair Loft.

The Hair Loft opened for business for the first time yesterday. The manager, Judy Cook, has had 17 years of experience in hairdressing. She will be assisted by Lori Bagby Sherry Everest who will act as receptionist.

The Hair Loft is located in

the rear of The Bamboo Loft, upstairs at 26 Guelph Street. The bamboo theme carries on into The Hair Loft with bamboo chairs in front of the mirrors and under the dryers.

Lynn Reed, co-owner of the Bamboo Loft, is hoping that the lady customers will take advantage of the opportunity to come in, have their hair done, enjoy a leisurely lunch, and browse through the bam-

boo items offered for sale.

"It seemed a logical step," she said. "It's a novel idea, and I think a feasible one." The Hair Loft will be open from 9 a.m. to 5 p.m. Tuesdays, Wednesdays and Saturdays, from 9 to 8 p.m. on Thursday and 9 to 7 p.m. on Friday.

"We're offering something different, and we hope the town of Georgetown will support it," Mrs. Reed said.

Police, landlord agree on station's repairs

Halton Regional Police Commission has reached agreement on the repairs needed to bring the Georgetown division building up to standard.

Police administrator R. A. Munro reported Thursday that he had had a meeting with Hy Gladman, owner of the building, that morning, and Mr. Gladman had agreed to undertake the repairs to the building at his own expense.

the basement in the bicycle storage area, insulation of the pipes, the repairs of a leak in the rear half of the building and the securing of the sink to the wall in the men's room.

"My only comment is you can't blame Mr. Gladman as an investor for trying to get his money out of it," commission chairman William Hourigan said. Part of the responsibility has to be attributed to the officers who inspected the building and the officers who lived with the problems he

said.

"I don't entirely blame Mr. Gladman," Oakville Mayor Harry Barrett said. "This force and this commission didn't make more effort."

Mr. Munro said the repairs are not contingent on the renewal of the lease.

"Once we have information to the effect that the repairs have been completed, then we'll get back to the lease," commissioner Glen Magnuson said.

Ashgrove social notes

By Mrs. JOHN BELLHODDY

On Tuesday afternoon May 23, 27 W.I. members enjoyed a guided tour of the Ontario Agriculture Museum near Kelso. It gave everyone an idea of what they are doing and accomplishing in collecting the past and putting it on display.

We saw the log house built in 1830 which they have rebuilt and as their craft house, an octagonal barn, human power steam engines, first switch board from Bruce County, harness shop donated by a grandson of the original owner and the new W.I. Hall which will promote Institute work.

We then drove to the home of Mrs. W. Donaldson near Campbellville for our meeting. Pres. Mrs. R. Alexander presiding.

Roll Call was An Old Time Weather Superstition and some good ones were given.

The motto "Changes are good, the unused mind like the unused attic gets cobwebs in the corners", was well given by Mrs. Harvey Nurse.

Mrs. Craig Reid reported on the Officers Conference at Waterloo in the regional folk school the weekend of June 15-18 was announced. For three days in July and two days in August some of our members will act as hostess in the new W.I. Hall at Kelso.

Mrs. Percy Cox and Mrs. Milton Bird announced the bus trip would be June 20 leaving at nine in the morning from Hillcrest parking lot. After singing O Canada and the W.I. grace a social hour followed.
