

**STRAWBERRY FIELDS FOREVER**

M-m-m Good! appears to be what the look in six-year-old Patricia Reynolds' eyes are saying. The young Rosefield Terrace girl was at the Strawberry Folk Festival at the Acton library Saturday preparing to eat a

strawberry shortcake after a performance by Acton folk singer Kevin Kenalty. The dessert was prepared by the Acton Scout and Guide Mothers.

**Terra Cotta WI report**

The members of Terra Cotta W.I. met at the home of Mrs. Art McKane for their June meeting.

Mrs. Fred Sharpe, resident, welcomed members and guests and opened the meeting with the opening ode followed by the Mary Stewart Collect.

The minutes of the April meeting and May bus trip were read by secretary Mrs. Art Dows, followed by the reasurers report. The change of time of the meetings to a

p.m. for the next year was to be noted by the members.

The highlights of the District Annual held at Bolton presented by Mrs. George Frazer which proved most interesting to those who were able to attend the meeting.

The roll call was answered by naming a town and its industry. This was the Canadian Industry meeting conducted by Mrs. Jack McDonald who gave a paper on our world of salt and Mrs. Clarence Anderson giving a talk on the

industries of Colyton.

The speaker brought us up to date on Current Events of the community. We were sorry to hear of the death of Miss Florence Wright a most interested member of Terra Cotta Institute.

Fred Sharpe gave the courtesies. The hostess assisted by Mrs. Howard Laidlaw and Mrs. Stanley Faulkner served lunch. September meeting to be held at home of Miss Eleanor Macdonald.

**Norval district news**

By DOROTHY McLEAN Herald correspondent

Norval United Church Annual Chicken Barbecue held at Huttonville Public school on Saturday was a very successful day. Between 1,400 and 1,500 people enjoyed the delicious barbecued chicken, salads, roll and pies. Tables were set up both inside the auditorium and outside. As the weather was ideal many chose to eat outside.

The excellent effort of everyone in the church, young and old and in between, helped to make the day a success. All pitched in to help with the work either on the serving line tables, or in the kitchen making tea and coffee and keeping the serving bowls full of salads or cutting pies. Ice cream and pop were also available. Others were busy barbecuing the chickens, clearing tables, or parking cars. It took every-

one's cooperation to feed so many people without long line ups.

Chairman of the barbecue committee was Bill Laidlaw. Co-chairmen were Bob May, Earl MacArthur and Ron Moffatt.

On Sunday following the barbecue it was Communion Sunday and Baptism Sunday at the service conducted by Rev. R. Walter Ridley. Three babies were baptised - Aaron Norman John, son of Sherrene and David Dunlop; Gayle Anne, daughter of Shirley and Bruce Reed; and James Wesley son of Anne and Ronald Starret.

Following the church service lunch was served in the basement which consisted of leftovers from the barbecue. There was just enough chicken salads, pies, etc. for all to enjoy a good meal and fellowship while discussing the busy day of the barbecue.

There will be no church service in Norval United Church during the month of July.

The public meeting held in Norval School Community Centre on Thursday evening June 22, spelled doom to the old Norval school as very few attended the meeting and few spoke in favor of trying to save the historic building.

A few interested people in the area were discouraged in attending the meeting when they read an ad in the Georgetown papers calling for tenders for demolishing the building. Their reaction to the ad was why attend a meeting when the decision has already been made? It was unfortunate that Halton Hills council published the ad before the final meeting regarding the fate of the building had been held.

Get well wishes are extended to Mrs. Mary Garbutt who is a

patient in Peel Memorial Hospital, Brampton, as the result of a fall in her home.

Mrs. Garbutt was walking with crutches from a sprained ankle and pulled ligaments when she fell down the stairs. She has a fractured skull, a broken wrist and a broken elbow. Friends and neighbours are very sorry to hear about her accident and hope that she

will make a speedy recovery. Get well wishes are also extended to Mrs. Iva Davidson of Brampton who is a patient in Peel Memorial Hospital. Many from Norval remember Mrs. Davidson as the lady who played the piano at the Norval Queen's birthday celebrations each year. Mrs. Davidson and her sister Mrs. Williamson are well known entertainers.

Jocelyn Tost of Normandy Boulevard, left, accepts the keys to her new Cutlass Salon from Branch 120, Royal Canadian Legion car draw chairman Doris Chamberlain. She is the winner. Looking on is Harold Biddham, president of Branch 120, Andrew Murray of Andrew Murray Motors who supplied the new car, and Joe Politer.

**Legion Lines returns**

By Roma Timpson  
Happiness is winning a brand new car. A Normandy Boulevard resident, Jocelyn Tost will readily agree every time she drives her '78 metallic blue Oldsmobile Cutlass. This was the Legion's 17th draw for a new car and Car Club captain Doris Chamberlain who has headed the past 11 draws heartily thanks to all who helped her on Friday evening and expresses her thanks also to the crew in the kitchen for the supper meal that was available to the car club members. Doris says there will be another draw in January and further details will be in this column when a date has been finalized.

Count-down to the grand prize began early in the evening with the pulling of the first number which was worth \$50. and Betty Smith was the winner. There were nine more \$50.00 winners but the top winners were T. James \$500, D. Clarke \$400, C. Telford \$300, V. Kirby \$200, H. Hulme, Myra Fensley and G. Moody each won \$100. Congratulations to all of you.

By the way... did you know that you can leave your chairs and chaise longue down at the branch and they will be taken out by the A.R.C. in Horby by Frank King, Ron Lincoln at one time did this for us and it

was most appreciated and now Frank has kindly offered to do the same. All he asks is that each chair or chaise be clearly marked with name, address, phone number and colour you want your chair re-webbed.

Our annual picnic will be held at Gord Browne's place on Sunday July 9. So you still have time to practice running, shoe kicking, tossing the ball etc. etc. that goes for making a fun afternoon as we have had in the past years. More on this next week and it is hoped that our new members, both branch and Ladies Auxiliary will make an effort to come along with your family and join us in this very pleasant afternoon. As the new executive are just beginning their new chairmanships I haven't heard all of the details but will have them for you next week.

Congratulations to Jean Jones L.A. Member and branch member Harv Thomas on their recent wedding. Good luck to you both and much happiness.
