Mexican team visits

By ALEX TOUGH The past weekend's hectic soccer activities are ended. Ria Navia F.C. of Mexico have come and gone, leaving hapy memories of skilful players, nice people and good soccer

played in splendid weather. To say that Bryan Turner. Pat Robbins and I were relieved would be an understatement. It is true that we had really had no firm idea of who was coming, when, until the merry Mexicans stepped from the bus on Friday.

There were disappointments and achievements in this first ever International Soccer visit to this area in this venture. At the last minute the Baz Motors Atoms were invited to go to Streetsville for their

tournament on Saturday Last minute arrangements made by Dave Manning to raise a house league select to replace the Baz Atoms came to naught late on Friday when the proposed opponents tied 3-3 with the Meteor Mosquitos and were felt to be too strong for our selects.

Nevertheless the Mexicans were prepared to play Dave's select. Came the Saturday games Cercor Mosquitos comingout 4-3 winners in an exciting & fairly even match, McArthur Peewees 5-2 and McLaughlin Bantams 8-2

Overall the Mexicans were very skilful performers and not as physical as our guys which was a telling factor. They also were forced to play with some under age players.

The great thing about their play was their acceptance, without question of the reffing of Al Doherty, Colin Wilde, Bob Marshal and I and their supreme good nature in spite of the trend of the games. Their coaches and managers were nice guys all round.

Our coaches, managers and parents did a great job of hilletting and there is not sufficient space to mention everyone by name.

Their reports of their guests were excellent and this venture into internationalism I believe was very successful. We had an open air barbecue and later a disco at Cedarvale which both went superbly. It is a great feeling to know we turned up trumps and I feel all those involved thoroughly enjoyed it all.

Special thanks go to the Cedarvale caretaker, stand ins - the Junior Fields, to terrific donations from our sponsors, Meteor Foundry, McLaughlin Associates and McArthur catering (Gus himself barbecuing mountains of hamburgers) and to I.G.A. FOR trusting us with some \$60-70

worth of pop. Disappointing was the -supporting turn out by townsfolk in general and by other soccer types inand around town. All spectators, and there were many, were very sportsmanlike applauding fine efforts on both

My vivid memory will be the corner and penalty kick awards in the dying seconds of the McLaughlin Bantam encounter. On the penalty when Dave Finlay asked what was wrong with his play . I replied "absolutely nothing". Another was Colin Wilde resting on the goal post and asking for a substitute ref! The skills of Wee Carlos and Alexander and a tremendous over the bar save by the Mexican goalie.

A grand selection of parents and friends were at the disco and helped with the clearing up afterwards. El Supremo was D.J. - Pete Skelton played some really good stuff. Afterwards I repaired to Pete's and watched soccer on TV. On Sunday, early, our guests left giving us their game chant.

Then came the ancient Mariners visit to Guelph. We had 13 injurieds to Gary Spiller and John Bew which hopefully now are ok. We were augmented by a still skillful Peter Jones. Roy Yardley, Courtney and Martin Warner and Brate Hal-

Some glaring misses two sharp goals from a Stu Robbins typical chip over the goalie and a 40 yard blaster from Colin Wilde gave us a narrow 2-1 victory.

Lloyd Jones had a superb diving save in the second half. And, yes, folks, had to contend with three of my vicious special pass backs! Colin Wilde also took a nasty tumble in the game and has some pretty bad cuts on knee and thigh.

However, we preserved our tremendous record of 3 losses against some 20 odd wins.

Our Sunday evening visit to the Metros went very well in spite of a financial loss, on the venture. A preponderance of competitive players, parents, friends, coaches and managers made up our party.

A repeat attempt, this will have to be evaluated very carefully indeed as will several other of this year's activities. It would be interesting to find out why so many people did not avail themselves of the opportunity of taking in a first class soccer game. General apathy? Lack of information? do not believe so - the previous articles, notices, and telephone calls are surely

got the word Monday that the OHA has given the green light to a new OHA Intermediate A league to the north of us.

The new league will contain teams from Midland, Collingwood, Owen Sound and Port Elgin, Handy says.

There is a possibility that interlocking bome and home games will be arranged between the teams in the new league and those in the Ralder league, Mr. Handy says, but no plans of this nature have been finalized.

Whether we see these teams in action through the regular season we will definitely have to play them in a semi-final for the OHA Intermediate A championship at the end of the season, he says.

There will be no changes in the old OHA Intermediate A league and Raider fans can still cheer for their favourites as they take on Thorold, Dundas, Port Colborne and Fort Eric again this season.

The trouble broke out early in the first half when a Metros player was viciously felled, unnoticed by ref or linesmen Players of both sides then openly attacked each other, one incident within five feet of the unseeing officials.
