

Bert Osborne got a hit for Harley Motors here, but it was not enough as his team lost 4-2 in a showdown against Georgetown Chrysler. Chrysler now has a four-point lead over Harley in the race for first place.

Chrysler wins big one to lengthen their lead

Georgetown Chrysler won its showdown against Harley Motors last Wednesday 4-2 to take a stronger hold of first place in the Georgetown Industrial Fastball League standings.

Both teams have now played 28 games and Harley will have to go undefeated to have a shot at taking first place away from Chrysler.

The Acton Merchants made a big move last week and took two important victories and now have sole possession of third place. The victories came over Park Toyota and Rexway Towing, two teams that are also in the hunt for third place.

In other news last week the Way-Jay Sportsmen have been suspended from the league for defaulting four games. The final default came last Wednesday in a scheduled game against D.R.G. Stationery.

Way-Jay still had four games left on its schedule against Chrysler, Rexway, Royal Trust and Glen Williams. Those four teams will play 32 games instead of 33. If they end up tied for a placing, a game will be played prior to the playoffs.

Heading into the playoffs the two hot teams are definitely Chrysler, and Limehouse. Chrysler has now won nine in a row, and Limehouse has won nine and tied one of its last 10 games.

Pineview soccer

TUESDAY 15th PINEVIEW SCHOOL MOSQUITO DIV. LIONS 6 VS. TIGERS 1
Pineview Tigers just can't get off the ground. The lone goal for Pineview was netted by Chris Hanucci. Jamie Zions in goal again did a good job as did Brian Deenik and Raymond Dickson and Robert Boettcher.

THURSDAY Aug. 17 Pineview School SQUIRT DIV. OPTIMISTS VS. COUGARS 0
Well the Pineview Cougars just couldn't score those goals, although they tried really hard. Scott Brander in goal did an excellent job. Scott McDowell, Peter Boettcher, Gordon Shirriffs and Tom Costain also played very well.

Kinsmen League results

By Theresa Callaghan JUNIORS DAIRY QUEEN 21 FRED HARRISON 12
Umpire: J. Penney.
Rosemary Gale really shone through in this match with four big home runs. Other home run hitters were Jennifer Foster and Gail Doucett.
Pitchers were Rosemary Gale, Diane Toast, Gail Doucett, and Debbie Dwyer. Game stars were Rosemary Gale, and Diane Toast for Fred's and Gail Doucett and Debbie Dwyer for D.Q.

HORRUYZ each hit one. Happy Birthday Lori.
PAULINE'S FLOWERS 19 LARRAD 16
Umpire: Julie Fournier, Lisa Switzer.
Larrad started off very strong and by the second inning they had a nine run lead.

Pauline's poured in on in the end to win the game.
Laurie Fotheringham pitched for the winning team. Game stars were Shannon Jackson and Chris Jeffery for their good hitting and fielding. Home runs went to Chris Jeffery and Cynthia Underhill.
The Senior games were rained out.

This week in Georgetown soccer

By ALEX TOUGH
Full of snipits this week. The McArthur Peewees experienced mixed fortunes. Diabolical refereeing in Mississauga and a fun and laughter high spirited baseball challenge against the baseball rep side. The Bantam girls also had mixed fortunes, the North Halton's opponents from Guelph (lying second in the league) turned up on Thursday instead of Wednesday due to a fixture list going astray. Following problems with their Ontario Cup opponents Don Mills and Armourdale not showing the recent run of good fortune came to an end.

We can report that the Baz Atoms are promoted to the 1st Division of the Peel League where they now play solely against top class opposition. The McLaughlin Bantams have fixture troubles with a league fixture at Oakville on Saturday, the day on which they are due to play the West Germans. A change is being attempted for the Oakville game. McArthur peewees remain in the second division for the remainder of the season as do the Cercor Mosquitos. There is no split in the minor mosquitos where Oakville, in beating our Meteors 8-3 last week, are way ahead in the standings.

Looking to next year we are sounding out for coaches and managers for the rep squads. There are always changes and it seems we should be better prepared. To know which are groups and coaches before the start of 79 preparation would be a distinct advantage. Anyone interested should let an executive member know as soon as possible.
In the house league we are nearing the end of the league competition and at last week's executive meeting we discussed league standing publication or lack of it. We are looking for a solution to this problem area. Another concern is the disparity in number of games played in comparing age groups. Partly the field problem, the only groups to have full control of playing areas, are squirt and atom.

We also discussed the upcoming cup systems and will make the cup draws this week. The league commissioners are doing such a good job that they will also handle the cup tournament.
Field marking has been a let down recently. From three days a week to none and we have been looking into this area, as other types have been receiving daily treatment.
Next year we intend to promote an individual skills pro-

gramme leading to the regional, national and international finals. In 1976 a Brampton raised youngster, playing out of Scarborough I understand took third place in the All-North American Finals as Bantam level. There was a competition this year, this month in fact, and we felt it was unfair to attempt without preparation. Speaking of promotion for next year, an ideal promotion would be tournament soccer. This summer we have a fair whack at other towns' invitationals and it would, firstly, be nice to be able to return the complement and secondary, presumably some additional business for local merchants. The one thing which prevents us hosting is that we only have, at the moment, one good field.
There is no doubt that Cedarvale is an excellent field in a beautiful setting and many comments in this vein are received from visiting teams. We are fortunate to have it, proud of it and regret that it is the only regulation field available. Cedarvale also receives a hammering every day of the playing season and surprising as how it stands up to the constant battering.
Financially, we have been holding our own, with the purchase of our league and cup

trophy we will exceed our income for this year. We expected an operating loss in 1978 and we are getting a loss.
Our September "Due" I am corrected is on Friday 23 and is to be a Chicken Barbeque immediately prior to the disco dancing.

Referees in trouble these days are Bob Marshall, out with an injury, Bill Barclay with broken toes and me and my cartilage problem. This will place a drain on our other experienced refs for rep, Bantam and Senior games. I understand that long serving ref Al Doherty may leave us before long. If so, then we all wish Al and family well, another loss to our soccer group, which makes quite a few so far. PS. The McLaughlin Bantams finished a creditable fifth in their division and play the

remainder of this season in the first division. And not to forget the West German match on Saturday morning at 11:30.

MATCH REPORT
Back in mid-June the Valentines were steamrolled to an 11-0 defeat by visiting Waterloo. Waterloo is leading the pee wee division and we were down there for the return. We were late in arriving and kicked off against the wind and sun. A skilful opponent took the game to us and with Lise Gallant playing defense and reserves Jess Patullo and Erin McIntyre clearing their lines we kept the ball away from our goal.
Eventually the pressure told and we lost two quick goals on unfortunate errors.
Being able to play Kirsty Torwick in short breaks meant she was on top form and

Lisa Allen had another tremendous game at centre back. Pat Turner hustled and hustled as did Carol Johnston, Cathy Dobson and Lori Thorpe. Again we played our strange 3-4-3 system in the second half and we completely dominated the half without the scoring punch needed. Our defenders cleared or carried the ball out of trouble and Kathy Webb and Linda Phillips put in some hard midfield work. Kary Jones missed our only real scoring chance late in the first half.
Lise Gallant went into goal in the second, period and did not put one hand or foot wrong, in other words, an excellent display of goalkeeping. Lise, with defenders Erin, Jess, Lisa and Kirsty continuing rock hard performances Waterloo were hardly seen in the second half. The final score was 4-0 Waterloo.

McArthur Peewees in second place

McArthur Catering Pee Wee soccer team has now completed the first half of the league play and is in second place, one point behind Brampton with five games remaining before the playoff start.

Last Wednesday the team travelled to Mississauga and came away on the wrong end of a 3-2 score although even the Mississauga team management admitted that the Georgetown team was superior.

This game represented the climax of a problem that the team has had all season, the excessive use of the mouth instead of their feet. An inexperienced and emotional referee contributed to the problem but the players have no one to blame but themselves and the unexpected loss could cost them the league championship.
The first half ended with

Mississauga leading 2-1 primarily as a result of a very strong wind blowing to their advantage. Eric Clark scored the lone goal for McArthur. During the first half the referee warned a number of Georgetown players as a result of their questioning his decisions.

In the second half the problem compounded itself, the referee ejected three Georgetown players. Mississauga scored on a penalty shot to increase their lead to 3-1 but Georgetown came back to make it 3-2 and continued to apply pressure with eight men out could not even the score.

On the weekend the team travelled to Saltfleet and although they did not lose a game they did not make the finals. Georgetown was placed in the strongest division with teams from Kitchener, Niagara Falls and Waterloo. In

the opening game against Kitchener, Georgetown played some of the nicest soccer seen in the tournament and were unfortunate to have to settle for a tie due to excellent goalkeeping and a lot of luck. The next game was against Waterloo which also ended in a 0-0 tie, although in this case it was much closer and a more valid result.

Georgetown knew before the start of its final game against Niagara that it had to score at least 6 goals to make the final due to Kitchener's 5-0 win against Niagara.

This forced a change in the normal strategy with the total effort concentrated on scoring goals. The final result was 3-2 in favour of Georgetown with Huldent, Kedrick and Oram scoring but it was not enough and Kitchener moved into the finals.

Bob McGowan threw the ball by Acton's Gord Sandbridge as Harley Motors beat the Merchants 7-1 in the first round of the Glen Williams Tournament. However, both teams were eliminated as Georgetown Chrysler took the championship and Royal Trust the consolation.

Two Georgetown teams win in ball tournament

Georgetown Chrysler and Royal Trust, two teams from the Georgetown Industrial Fastball League, took the top prizes at the Glen Williams tournament held at the fairgrounds this weekend.

Chrysler had good pitching and defense working for it in winning the championships. After losing their first game Royal Trust grabbed three victories and the consolation prize.
Chrysler bumbled Rockwell from Milton in the final game

10-3. Keith McKinnon was the winning pitcher.
Chrysler had defeated Hornby, the Mississauga Bombers and Fobert Real Estate (Milton) to get to the finals. Both the Fobert and Bomber games were close with Chrysler beating them 3-1 and 2-0 respectively. McKinnon went the route in the shutout win.
Royal lost its first game to Three Phase Electric from Brampton 7-2 to get knocked into the consolation section. Royal then shutout Fobert

Georgetown cricketers defeat Mississauga team

Georgetown Cricket Club beat Mississauga Stage Cricket Club by seven runs in a game interrupted by heavy downpour. The match was played at the Voder field on August 19 and had its usual 'ups and downs.'

With the score at 28 for no loss, a heavy downpour and thunderstorm halted the proceedings for 45 minutes. Georgetown very sportingly

agreed to continue the game in spite of wet outfield, slippery ball and soft footholds for the bowlers.
Both Harbord (19) and Agar (16) were dismissed quickly after the break. Only T. Despard with 17 to his credit showed signs of carrying the team to victory.
Mississauga innings folded up for a total of 90 runs leaving Georgetown victors by seven runs. For Georgetown A. Windsor bowled magnificently claiming four wickets for 30 runs. Skipper A. Kumar supported well and captured three wickets for 16 runs. Georgetown play at Cambridge next week against the local club.
