

### Action creates more problems

Town council's handling of appeals by Acton residents to close up an unused road allowance off Elmore Drive continues to create new problems.

Mayor Tom Hill informed council Monday night that he has been contacted by residents of the west Acton neighborhood who are upset about the administration committee's efforts thus far to meet the wishes of George Van Der Eyken, whose Elmore Drive property abuts the road allowance.

Because of the public reaction to the board's decision to try and close off the easement, thus shutting out noisy dirt bikes and dune buggies, will be reconsidered. Mayor Hill asked to have all affected residents notified of an upcoming committee meeting.

Coun. Roy Booth pointed out that Mr. Van Der Eyken's request could be accommodated without delay and without having to involve his neighbors but other council members voted to try and settle all related problems at the same time.

Coun. Mike Armstrong recalled that works committee members viewed the location four years ago on a roads tour, and the problems have not changed since.

Residents are complaining about youngsters using the road allowance as an access route to a large sand dune at the rear which dirt bikers and others have found to be an ideal racing site. Police are invariably too late to catch the noise-makers when residents contact them, Coun. Booth explained.

### New street lights approved

New street lights may be installed along Maple Avenue in Georgetown between Guelph Street and the new District 2 firehall if the necessary funds can be made available.

Council Monday night agreed to have town engineer Bob Austin examine his department's budget to see if at least \$1,945 is available to install new lights between the firehall and Mountainview Road.

The Georgetown Hydroelectric Commission quoted the cost for council and added that another \$4,341 could see the section of Maple Avenue between Mountainview and Guelph Street illuminated at the same time.

## Industrial ball

The bad weather of late has taken its toll on the playoffs of the Georgetown Industrial Football League. A full slate of games were wiped out on Monday night.

The two semi-final series are set to get underway tonight at the fairgrounds. At 7 p.m. Harley Motors will be taking on Limehouse on one diamond and on the other Georgetown Chrysler will go up against Rexway Towing.

Harley and Chrysler go into the semi-finals as clear-cut favorites, but both have to watch out for the upset.

Limehouse has already pulled off the only mild upset in playoffs so far by downing Hornby in two straight games in the quarter-finals.

Rexway, with Terry Haines doing the pitching, has the capability of winning over any team in the league on any given night.

League president Bryan Lewis said there may be some games added on Saturday afternoon to compensate for the rain outs lately. He said as of now the playoff schedule will go as follows.

Randy Robinson - Baracudas 12 goals  
Matt Finucan - Trojans 11 goals

This game was a turn-up for the books with the Canadians playing well as a team.

This exciting game could have gone either way with the Canadians producing a photo-finish in the race for the top of the Pee wee League. Paul Dxyhorn scored 2 for the Canadians together with a single from David LeBlanc, Phillip Rose and Doug Gillespie replied for the Rebels.

**PEE WEE LEAGUE PLAYOFF GAMES**

**FALCONS 0 BOMBERS 6**  
The forward strength and team play of the Bombers proved to be too strong in this game. The Falcons never gave up but they could not match the determination of the Bombers.

Paul Quinn, scored 3 goals for the Bombers, two were added by Dan Donteavey with a single by Patrick Primerano.

**CANADIANS 4 FALCONS 1**  
A game that the much improved Canadians always had under control. Paul Dxyhorn scored 2 goals for the Canadians with goals added by Mike O'Brien and Tim Dixon. A. Jones scored for the Falcons.

**REBELS 0 CANADIANS 3**  
The Rebels could not match the determination of the Canadians in this game. They also lacked their usual forward thrust and team work.

Dave Longo scored two goals with a single added by Paul Dxyhorn.

**BANTAM LEAGUE PLAYOFF GAMES**

**METROS 5 BARACUDAS 8**  
The potential the Hawks have been lacking in recent games showed up in this game. Although Metros were the stronger team a few breaks to the Hawks could have made it close. Mark Rose of the Hawks always had the Metros defence on their toes with Ricky Poot doing an excellent job on the fullback line for the Metros.

If this is any indication of how the Hawks are going to play the remainder of the schedule then there could be a few upsets. John DeHaas scored 3 with singles added by Ricky Poot and John Clare.

**BARACUDAS 8 TROJANS 1**  
A game played in bad conditions to which the short-handed Trojans were not able to adapt. Soccer skills were not in evidence due to the ground conditions however Baracudas were able to mount sufficient pressure to achieve this convincing win.

For the Baracudas Randy Robinson scored 3 goals, Terry Moutars and Craig McLaughlin added two each and Peter Smedema one goal. Matt Finucan replied for the Trojans.
