

## Outdoors continued

The only place you can get ammunition these days is Canadian Tire and the WEST END GUN SHOP, in Brampton. Most small sporting goods stores can't handle the hassle of registration of guns and ammunition supplies that is needed and will be needed under the new federal laws pertaining to guns.

The Ontario Hunting Summary is now available in French as well as the Fishing and hunting summaries from now on. The fish that was caught in Fairy Lake in Acton during the summer that was thought to be a Walleye turned out to be just that, a walleye.

I had the fish sent away to the Ministry of Natural Resources Office in Maple, and the report has only just gotten back to me. The fish in question had the head and tail of a northern pike and the body of a walleye.

However the Biologists feel that was just an off color walleye. There is no indication of how it got into Fairy Lake as there was never any stocked in that lake only bass (largemouth) and pike. It is illegal to stock fish in a lake without the authority of the M.N.R. and it seems this fish was stocked privately.

By the way, this lake is at its best of the season right now and until the bass season closes. Why not give it a try?

Lake Ontario proved to be a waste of time even after the stormy waters abated. The lake was far too rough to go out on over the first two weeks of September and the third week the fish were scattered and only a few fish were taken. They are now gathering in large schools again and are ascending the rivers to spawn. The charter boats lost a lot of business, but they are still taking fishermen out and will for a few weeks yet, as the salmon will be off the shore even when the majority are up river. **MAKE SURE THAT YOU USE A REPUTABLE CHARTER CHAPTAIN.**

I emphasize this as there are a lot of disappointed fishermen around. With any popular thing to come along there are always some who want to cash in on the action, and the Salmon fishery is no exception.

Call me at 877-0173 or 877-9290 and I will try to give you an update on the charter boats and any other information I can on the salmon fishing. I know that the first fish are at or even above Streetsville now, but this is only the few front-runners. There are Rainbow Trout being caught at Norval, but don't rush off to crowd the fishing holes.

Remember there is private property to contend with, and if you see anyone littering or otherwise ruining it for others, call the police immediately. There are only a few more days left to the trout season, so watch what you catch, and make the best of it.

See you on the trout stream, or the duck marsh or the Lake or - Well at least I will see you somewhere as there is lots to do in ONTARIO OUTDOORS.

## Gems end exhibition season

The Georgetown Gemins, led by Lance Doucette, Paul Martin and Tim Turner, closed their exhibition schedule on Saturday at Alcott Arena by taking 6-5 win over the Port Colborne Sailors.

The Gems led 6-3 before the Sailors scored two late goals in the third period to make it close.

Georgetown scored four times in the first period to taking a commanding lead before Port Colborne found the mark.

John Barnes opened the scoring after he took a pass from Doucette. Turner then connected on a power play with Doucette again setting up the play. Martin then scored on another power play, this time with Turner and Doucette drawing the assists. Greg Thompson scored the Gems' last goal of the period. Bob McCandless and Mike McMenemy got the assists.

The Sailors got on the scoreboard with only 44 seconds remaining to be played in the period when Peter Prophet tallied with Tim Turner off serving a cross-checking penalty.

Doucette finally scored one himself after setting up three. It came at the 8:25 mark of the middle frame and Martin was the playmaker.

Doucette's marker came in between two Port Colborne markers. Both were power play efforts with Mike Gibson and Cam Sutherland the shooters.

McCandless finished off the scoring for the Gems midway through the third period when he rapped home a Martin pass. Ted Thompson and Nick

Forte, on yet another power play, scored for the Sailors.

Uncalled for penalties had to once again be a chief concern of Gem coach Ron Dixon. The Gems took 18 minors in the game as compared to 12 for the Sailors. Referee Jim Embling did not hand out any majors.

Turner led the Gem parade to the penalty box as he took seven minors. Larry Melton made the trip to the box three times.

Turner returned to the Gems after being one of the last cuts of the Guelph Holody Flyers. The forward, along with

goalenders Steve Garry and Miller, were signed to cards last week.

General manager Bob Tost has signed two goalies, five defensemen and 10 forwards. Tost said Billy Taylor and Jeff Hubert will stay with the team as affiliated players.

The team has also chosen its captain. Taking over in that capacity will be defenseman McCandless. Mark, Euteneier and Thompson will be the assistants. In other exhibition action last week the Gems lost to Elmira 4-2.
