

The senior girls final proved to be a classic. After no score in regulation time and two overtime periods the game had to be decided by penalty kicks. The Supersonics got one more penalty kick in to defeat the Pineview Flyers. The Supersonics had an excellent opportunity to win the game during the first overtime.

Here the Flyers' Veronlea White stops Dena Kent on a penalty shot. Kent is the goaltender of the Sonics, and obviously also one of their top kickers. Both goalkeepers were very strong in the final as were all the players on the field.

Novice campers win two games

The Georgetown North Halton Sports Camp Novice Reps began their season with two impressive exhibition victories last weekend. On Saturday the Campers downed Oakville 5-1 and the next day they thumped Milton 5-2.

Coach Charlie Hanman has been working troops hard in practise and it paid off as the Georgetown boys went at full speed throughout both contests.

John Lorito was the big gun in the victory over Oakville as he scored four times. Three of

the goals were unassisted. Returnee Peter Atherly scored the other marker.

Hanman said that all his boys played exceptionally well in the contest as there were many good scoring opportunities.

The defense was very strong with Oakville being pinned in their own zone for much of the contest.

The scoring was more spread out in the win over Milton. Mark Sheppard had two goals to lead the way

offensively. Other markers went to Pat McCarthy, another returnee, Wayne Snow and Lorito.

Hanman is still in the process of making his final selections so he made many lineup changes for the second game.

Pickells takes first

Bill Pickells was back in the winner's circle at the Labatt's Tournament of Champions karate tournament held in Hamilton over the weekend. For the second year in a row Pickells won the black belt kata division.

To win Pickells defeated Tokio Hill, a top karate man from Ohio, who took second at the competition. Hill later was the winner of the lightweight black belt fighting division.

Hill and two other brown belts from Ohio were guests of Pickells for the tournament. The brown belts finished one-two in fighting.

Debbie Danard, also of the Northern Karate Club, was third in both the fighting (white to green belts) and kata (green to brown belts) division.

The competitors from Ohio were sponsored by Jim Robert-

son of the Way-Jay Club in Norval.

Pickells will be a seeded competitor at the prestigious Battle of Atlanta this coming weekend.

The organizers of the tournament are seeding martial artists who have done exceedingly well over the past year much in the same manner they do in tennis championships. This is one of the first times it is being done in karate.

Pickells is one of six men seeded in the black belt kata division. Among the five others is Sonny Onowo.

Girls basketball

The Georgetown district high school senior basketball girls open their season today at home against Lord Elgin of Burlington.

Rebel coach Mavis O'Neil is confident her team will make a good showing this year.

"We will be competitive and should take a good run at making the playoffs", the coach said.

The seniors picked up four players off last year's strong junior team. Elaine Taylor, Leslie Rand, Sherrie Crossman and Carol Peacock will all be wearing senior sweaters this year.

O'Neil also said she would like to see a couple of more girls out trying out for the team.

Tomorrow the team plays a road game in Milton.

Soccer season comes to close

Duane Coleman of the Thunderbirds rushes up field while being pursued by several Black Hawks players during the Squirrel final. The Thunderbirds, who took the league title, also won on Saturday to add the cup to their trophy case.

Elizabeth Beecker scored on this play to give the Olympians a 1-0 lead over the Bombers in the junior girls final. However, the Bombers came back to score two goals in the second half to take the Cup. The Olympians had gone through the season undefeated.

Blue Bombers win cup by handing Olympians first loss

Blue Bombers 2 - Olympians 1

Perhaps the Olympians walked away with the league, but the Blue Bombers weren't about to let them take the cup as well. Both teams, full of tension and excitement, just couldn't seem to get it together in the first half.

It was in the second half, that the aggressiveness and urge to win broke loose and was displayed in the form of good soccer. It wasn't long before Lorna Clark scored on a nice play from Leanne Murray giving the Bombers a 1-0 lead.

The Olympians were also playing hard however, and their efforts were rewarded when Liz Beecker broke through and scored not 5 minutes before the final whistle.

The first overtime half only served to bring back the tension both teams were experiencing at the beginning of the game. The Bombers took full control in the second half though, and went on to win the cup on a beautiful goal by Sarah Helshaw. Sherry Kirkpatrick played very well in net for the Bombers during

the first half. An injury early in the second forced her to sit out the rest of the game.

For the Olympians it was their first loss of the season. Sherry Vandersluis played a very good game in net. Sonja Haller looked good on the forward line as did Kim Newcombe at defense.

By Alex Tough

The recreational (house league) season ended with a Saturday of cup finals in glorious soccer weather.

The games were all fairly well supported throughout and were very competitive.

There were some surprise results and overall the club can go to rest well pleased with the activities of this season.

The Squirrel Thunderbirds and Atom Dynamites, in completing the league and cup double are to be congratulated on their triumphant season.

The Squirrel league runners up were the Bombers and Black Hawks in the cup.

The Atom league runners up were the Turbos and the Avengers in the cup.

In the other divisions the honours were spread a little further, particularly in the Mosquito division. League winners were Ajax with Aztecs and Falcons tying for second; Huskers are cup winners with Dynamites runners up.

The Bombers took the Pee Wee cup from the Canadians with Rebels top in league play followed by Bombers in second place.

The Bantam cup trophy went to the Barracudas over the Metros, the league positions being reversed.

This reversal of league and cup also happened in both girls sections.

The Junior Bombers over the Olympians and Supersonics over the Flyers from Pineview in the Seniors.

The trophies were presented by the age group commissioners with myself and Martin Beotter of Pineview assisting with the Senior girls. Thanks to Bryan Turner, we had the innovation of the outside broadcasting unit of Halton's Community TV on hand for the Mosquito and Pee Wee cup finals.

The matches are to be shown on Wednesday or Thursday evening, watch the papers for dates and time.

The commentary was provided by yours truly with Pete Skelton giving summaries.

The producer was so pleased that we have arranged to televise matches each week throughout next season.

Regrettably the players listing of names and numbers did not completely tally with the actuals on the field as a result of which the odd player will be incorrectly named. The players involved are allowed to lash their coaches for the errors.

I believe the venture was successful and am looking forward to seeing the two games. Ventures of this type can only serve to increase the interest in the game. Some comments from the "crowd" may have to be "bleeped" out as the mikes were open.

The final match of the day was the Ancient Mariners vs. Ancient Mariners! I am not sure what the division was this time and I let in three goals to Lloyd Jones' two, so his side won. We have our end of season challenge against the McLaughlin Bantams this evening at 7 p.m. at Cedarvale.

The time is now to put our boots to rest for the coming winter, to await the spring warmth of 1979 to restart the cycle. The past two weeks or so seemed like an eternity. And now that all is over there remains a void.

I can hardly wait for next season, there's a great deal of promise for that one. Problems remains to be sure and with a will are not insurmountable.

There will be coach, manager, executive and director vacancies and changes.

The end of season general meeting, with election of office bearers, is to be held on 22 October, at the Alcott Arena and we look to a large turnout.
