Limehouse Women's Institute met in the Memorial Hall on Thursday evening, bringing in the Sheaves and the Collect were announced by Pres. Mrs. Booth in opening. Conforming with the topics of the meeting each answered the roll call with the name of a nutritious food beginning with the initial of her given name.

Quilting was discussed as a near future project. A committee was named to look into fund-raising for celebrations for Dominion Day, 1979. A village sign with the postal code is to be investigated. Mrs. Mileham was extended thanks for the used refrigerator she had donated to us. Current events were compiled and read by Mrs. Frickline.

District Director Mrs. Brown gave highlights from last week's meeting at Milton. Mrs. Andrews would like to meet the ladies who had acted as summer hostesses, at the museum. Rules will be changed regarding scholarships. The Halton Sr. leadership training course will be quilting; a county banner in W.I. colours of gold and carnation blue prepared by Mrs. Harry Wilson was displayed. Agriculture rep Mrs. Stanley would like a course in farm business for women only arranged. Mrs. Chester Service donated a Canadian flag in memory of her late husband to be used at the museum as it is built on the family farm; 1979 District Annual hosted by Bannockburn W.I. at Acton will have competitions for a home-made loaf of bread and quilted blocks from 12 inches to 18 inches square.

Take sufficient dessert for your branch members attending Ligny Hall on Nov. 9 at 1 p.m. and charges will be 50 cents each for District Day.

The Motto "Pleasant words are as a honeycomb, sweet to the soul and healthy to the bones" was answered by each expressing her thoughts on the subject.

Program convenor Mrs. Moulder in her short talk on "nutrition" advised us to read labels and cookbooks carefully. She has arranged for a tour of a mushroom plant for later this month.

Several W.I. plates on hand were sold to members. After O Canada Mrs. Moulder served a tasty and plentiful nutritious lunch.

While in Ontario on government business from Regina, Sask., Dr. Peter Glynn visited his mother Mrs. John Glynn recently.

Congratulations to Mr. Ray Denny who graduated from the University of Guelph with his B.A. last Friday.

Mrs. Paul Spitzer recently returned from five weeks in Europe, where she visited relatives in Germany.

Communion services were observed at Limehouse Presbyterian Church last Sunday.

Limehouse registration

By MRS. G. DENNY
Registration for the 1st Limehouse Brownie and Guide Paes was on Tues. Sept. 12th. We had a very small amount of girls sign up on that night so consequently we were surprised and pleased to see so many turn up at the first meeting.

The brownies at last count had 14 girls and the guides had 11 plus 2 maybe's.

At their first 2 sessions the brownies have been busy recovering their toadstool, making crafts with paper mache, etc.

The girl guides have basically been planning their future meetings and outings such as a possible winter camp, hike, carol singing at Christmas and making crafts for the next multi-sale.

Both paes have already gone on their first outing. On Fri. Sept. 29th they went to a District Campfire at Hornby. We would like to thank Danielle Mileham and Kendall Batchelor for making cup-cakes for the occasion.

Our first L.A. meeting was held at Marj Thompson's on Mon. Oct. 2nd. Among other things we discussed going together with Group Committee on the next multi-sale meeting on having a bottle drive in the spring. After the business was all taken care of we enjoyed the delicious refreshments provided by Marj.
