

Fire fighters start season with rout

The Georgetown Firefighters' Major Atomus opened the regular season with a 9-3 rout over a much inferior Guelph team Sunday.

Mark Howie had a big game as he pocketed three goals and added a couple of assists.

Danny Kent was also a big gun for Georgetown as he put three in the net.

Mike Hurley had two goals and the same number of assists and displayed some fine stick work.

The only single marker of the game for Georgetown went to Brian Doherty, who tucked the puck behind a Guelph goaltender who thought the play had been stopped.

Jon Hammer, Scott Campbell, Chris Hodgins had one assist each and Pat Braund and Dean Irvine set up two goals apiece.

The Firefighters' outshot Guelph 20-17 in the contest as they totally dominated the action. Some defensive lapses allowed Guelph to tally three times.

The Firefighters are in action tomorrow night when they play Flamboro at 6:45 p.m.

The Georgetown Firefighters and McNally Construction Major Atomus accumulated a one win, two losses, one tie record during the pre-season schedule.

The win came against Brampton by a 4-3 score, the 3-3 tie against Chinguacousy "A", and the two losses against Milton, 5-0, and Chinguacousy "AAA", 7-3.

Optimist Club meet is successful

The cross-country meet hosted by the Optimist Club on Saturday at the lot across from St. Francis of Assisi School proved to be very successful with Harrison Middle School and Centennial Middle School walking away with many of the honors.

Club member who organized the meet, and his band of volunteers did an excellent job of marking up the course and getting the races run on schedule.

Here is a legend for the schools represented: Harrison (H), Centennial (C), Wrigglesworth (W), St. Francis (SF).

Holy Cross (HC), Sacre Coeur (SC), Stewarttown (S), Georgetown Christian School (GCS). The individual results were:

Campers split a pair

The Georgetown North Halton Sports Camp Novice Hops split their first two games of the season, taking a 4-2 win in Oakville Saturday and losing their home opener Sunday 6-1 to Burlington.

The win over Oakville was a mild upset for the Campers and it was achieved mainly on the work of goaltenders Curtis Green and Steve Eastwood. Bret Robinson played a stand-out game on defense and kept the Oakville forwards honest.

Scoring for Georgetown were Wayne Snow, from David Goggin and Mark Bergeron, Pat McCarthy, from Serge David and Jeff Douray, John Lorito, from Gary Stewart and Dave Goggin, from Peter Atherley and Robinson. The line of Lorito, Stewart

and Shepherd swarmed all over the Oakville net and could have hit the scoreboard much more.

The Burlington squad is a powerhouse and has been blowing everybody out of the rink so far this season.

Lorito, Atherley and McCarty all had good scoring chances for the Campers but could not find the mark.

Lorito scored the only goal for the Campers on a solo effort in the second period.

Coach Charlie Hamman was very pleased with the defense pairing of Bewley and Howlett in this game.

Warren Crawford and Bob

Davey set up two goals each with Davis and Brad McMeek in collecting an assist each.

Tom Cull scored the game's only goal against Brampton Peavoy was the playmaker on the marker.

It was fine two-way play that won the game for Georgetown. The team also stayed away from the penalty box.

Major bants win

The DRG Stationery Major Bants, opened up their season on a winning note last weekend by defeating Guelph and West Flamboro quite convincingly.

On Saturday night in Guelph, Kevin Frank opened the scoring at the 8:18 mark of the first period with an unassisted goal.

Guelph replied at the 7:17 mark of the second period and Georgetown answered back with a goal from Paul White an assist going to Duane Hatcher.

Anthony Oram assisted in Peter Haller's goal and Bob Morrow finished the scoring at 17:00 minute mark of the second period.

Throughout both games Jeff Watterworth and Shawn Glusford played steady games between the pipes.

If this team can play hockey and stay out of the penalty box, they will be a major factor to contend with this year.
