Footballers rout Milton 48-0

The Georgetown district high school football Rebels bombed hapless Milton 48-0 here Friday to up their record to three wins and two losses.

The score could have been much higher had Rebel coach Mike McMahon used his number one unit throughout the contest. The first stringers played less than a quarter.

Jeff Skingley and Al Hower each had two touchdowns in

the rout. Rob McKelvey, Mark Pelletier, and Mitch Leblanc scored one major each, the remainder of the points came on Hower converts and a couple of two pointers.

"I don't think we learned too much from this game," said McMahon.

In defense of Milton this is the first time in six years that they have had a football team

there. They do not have a junior team.

The Rebels showed that they have good depth in the victory. Skingley played more than in any other game this year and ran the ball well on his carries.

Jim Hountree played most of the game as quarterback as regular Gord Miller sat on the bench. Hountree certainly is not a Miller. However, if Miller should be forced out of action

Hountree will make a very adequate replacement.

It was the first one-sided game the Rebels have been involved in so far this year. Their two losses came in overtime and their two other wins were achieved in hard-fought contests.

The Rebels will not see any action this week. They will be back in action next week away at Oakville-Trafalgar.

The field hockey teams from GDHS both had outstanding years. In the Halton finals they both went undefeated in three round-robin preliminary games, but did not advance because both had fewer corners than teams that had identical records. Front row left to right are coach Ruth Armstrong, Jackie Wickens, Julie Fournier, Liz Ramsay, Sara Aggias, Sandy Hewitt, Lisa Switzer, Loralea Jefferson and Robin Dodokin. In the back are Cathy Beckett, Alison Ritchie, Linda Donais, Kim Beckett, Maureen McGowan and coach Sherrina Kewley.

Field hockey teams end campaign

Although neither GDHS girls field hockey teams lost a game in the Halton championships they were not able to advance past round-robin play because of fewer corner hits.

The seniors had a win and two ties in round-robin play, but Blakelock had the same record. The two tied in their match and Blakelock advanced on the basis of having four corners as opposed to Georgetown's three.

The juniors had two wins and one tie. That the game against Pearson, who also had two wins, Pearson had three corners to Georgetown's two and advanced to the semi-finals.

Senior goaltender Linda Donalds had shutouts in each of the three matches.

The Rebels opened strongly with a 3-0 shutout win over M.M. Robinson. Maureen McGowan led the offensive as-

sault by tallying twice with the other marker going to Cindy Hewitt.

Couch Sherrina Kewley said her team did not play well in the 0-0 tie against Blakelock. She said her team had many chances but could not connect on any of them. One goal or two corners and the team would have advanced.

The coach said her team had its worst game of the year in the loss to the Oakville-Trafalgar juniors. That game also ended in a 0-0 tie.

The juniors opened against Pearson and that game ended in a 0-0 tie.

Wendy Crawford also had three shutouts in tending the net for the juniors.

In their final two games the juniors downed Blakelock and Nelson 3-0 by similar 1-0 scores. Susan Wild had the goals in both the games.

On Saturday both teams from all over Ontario were headed to the tournament there. The main purpose of the being held in Toronto. Teams

Harriers triumph at High Park

Although the GDHS cross-country Rebels were missing some of their best competitors they still had enough to win the meet held at Toronto's High Park on Saturday.

Missing were the likes of Ian Clark, Jon Lancaster, Arnold Brako, Fergus Barnes, Lyn Chapman, Jennie Thompson and others. Most of the missing were competing as members of their club.

The Rebel's Doug Smith easily placed first in the junior boys division. Smith, who is a first year junior, helped his team compile 57 points to nip second place St. Michaels which had 64 scored against it.

Other juniors were Glenn Britton (13), Jim McIntyre (20), Ken Riddle (27), Stuart McLure (36), Andy Kovacs and Sean Firth.

The Rebels' top team of the day was the junior girls who had a mere 27 points scored against them and placed four runners in the top 10.

Diane Jones led the way as she had her best race of the year in finishing third. Heather McLaren was seventh, Heather Reed eighth and Brenda Braund ninth. Marg McGrath was also on the team.

The senior girls, also with four runners in the top 10, won their division as they nipped arch-rival Henry Carr.

Michelle Mawhinney was the 16, senior girls Rebel with a fourth place showing. Angie Dickenson (7), Barb Gage (8), Helen Kristensen (10), Lisa Fraser (18) and Lyn McPhall (19) rounded out the strong senior team.

The senior boys team finished third, behind St. Mike's and G.S. Henry. Rebel competitors here were Dale MacGregor (14), Dan Vandevort (15), Csaba Otto (20), and Scott Harris (31).

It was the fourth victory for the Rebels this year. They have yet to finish anywhere but first place.

Tomorrow the team heads for Kelso to compete in the Hugh Goebelle and Jack Harlow.

Junior Rebel Hermiana Vieira tries a jump shot from the foul line during her team's win Thursday. Vieira scored 19 points in the two wins the juniors has last week.

Junior basketball girls undefeated in four starts

The GDHS junior basketball girls took two victories last week to run their record to 4-0. On Tuesday they beat Blakelock 39-28 and on Thursday they dropped Oakville-Trafalgar 35-29.

Guard Hermiana Vieira led the scorers in the win over Blakelock as she hit for 10 points. Virginia Walker had seven.

In the O.T. game Jenny Smith's 10 points were the tops for the day. Vieira had nine points in that game.

Georgetown led Blakelock 31-28 going into the fourth quarter. They blanked their opponents in that final quarter while they scored seven themselves.

The Rebels led all the way

over O.T. They led 29-17 heading into the final quarter. A later lapse by the Rebels made the score close.

Coach Betty Tamas is using a press defense most of the time and has Vieira as her floor general on offense.

Both the seniors and juniors will be in action at home tomorrow beginning at 4 p.m.

Senior girls have one win

The GDHS senior girls basketball Rebels have a record of one win in three losses so far this season, but coach Mavis O'Neill thinks her team is ready to make a good showing in the second half and take a run at making the playoffs.

The team's shots just were not dropping in an opening 38-20 loss to Lord Elgin. The team played well in the second half, but could not overcome the deficit of the first half.

In the second game the Rebels again had trouble getting the ball to drop and came

out on the short end of a 59-31 score against Milton. The Rebels had foul trouble in this game.

The team was again strong in the second half in the third game against T.A. Blakelock, but lost 44-33. They were down by 20 points in the first half.

The team finally got everything together against Oakville-Trafalgar and won 47-25. O'Neill said the team played tough defense and rebounded very effectively to set up the fast breaks.

Nancy Phillips led the scorers as she pumped in 12 points.

Meredith McLaren had nine, Lesley Hand six, Heather Clarke six and Sherri Crossman four.

The top rebounders in the game were Clarke and McLaren.

"We were working as a team in that fourth game," O'Neill said. "We were lacking that at the beginning of the year."

Judo team does well

Five juniors members of the Georgetown Judo Club competed in the "6th Annual Open Tournament" at the Hamilton "Y" on Sun. Oct. 15.

Competitors came from as far away as Peterborough and Windsor.

They competed in their own age-weight category (ages 13 to 16) and managed to finish with one 1st place and two 2nd places.

This is the first tournament of the season for the club and

as the season progresses more of the younger members will be entering tournament.

At present there are 45 junior members registered, ages seven to 16, and no more can be accommodated at present.

However, there are openings in the "self defense" course for adults, which follows the Judo instruction on Wednesday evenings. Anyone interested may drop in to the gym at Holy Cross School on Wednesday evenings.
