Senior Draftsman Inspector Tool & Gauge Inspector

Accelerated growth within Varian Canada has created openings in our drafting and inspection Departments. Varian is a high technology electronics company and a leading manufacturer of Microwave tubes, high voltage power supplies and communication amplifiers.

SENIOR DRAFTSMAN
Applicants must have experience in electronic packaging and design using sheet metal and casting techniques, with special emphasis on PCB layout of Analogue and Digital circuits. Preference will be given to those with practical machine shop experience. Applicants applying for this position will have 5 to 7 years experience in this field.

INSPECTOR
Applicants must have experience in inspection of soldered connections/components on circuit board assemblies. Must also be capable of reading circuit board assembly drawings.

TOOL & GAUGE INSPECTOR
Applicants must have diversified mechanical inspection experience with specific emphasis on tool and gauge inspection. A working knowledge of trigonometry is required. Applicants must also have neat and legible handwriting. Varian provides competitive salaries, a mainly company paid benefits programme and excellent working conditions. Applicants are invited to contact the personnel manager in confidence at
