Women's puff boots will help pamper feet all winter long

Pillow soft and oh-so-warm... puff boots are just what's needed to help keep cold winter feet cosy. Styled with soft leather uppers and deep, pile lining... that's real foot warming comfort! Boot features rubber lug soles for extra traction on treacherous slippery days. Speed lacing makes it easy to slip the boots on and off.

Available in tan colour. Women's sizes 5-10. While quantities last

A little Dutch. A little Caribbean. The sunshine is perpetual. And, the snow-white beaches (some say the best in the Caribbean) are calm. But Aruba lives! In its shops, restaurants, casinos and some of the liveliest nightlife around. Temperatures average a high in the mid-eighties, the water, never below 70 degrees, and the trade winds are constant. Just the way you like it!
