### They're huge.

A 3-bedroom Quadrant home is an incredible 1,250 square feet and about as large as our most popular detached bungalow priced at \$84,700 for 1,500 square feet.

You're looking at a huge value in every

Floor to ceiling windows in the breakfast nook make it a great place to enjoy family meals. And it's so handy. You'll also appreciate the easy-care finish on the kitchen cabinets and the convenience of double stainless steel sinks.

sense of the word.

Especially when you add up all the luxury extras you'll find built-in to a Quadrant family home.

### Family-size kitchens

Your kitchen includes an airy breakfast nook with floor to ceiling windows, that's so handy for family meals and lets you save the dining room for special occasions.

The kitchen also includes an Admiral automatic Vari-broil oven control stove with digital clock and an Admiral frost-free refrigerator.

### And a long list of extras

Individual air conditioning and heating; wall to wall broadloom by Belgolow in a choice of colours; en-suite storage area; walk-in closets in some homes; and laundry facilities and lounge on the main floor.

Creative playground with a tot-lot, wading pool and outdoor swimming pool; and beautiful landscaped grounds surrounding a building you'll be proud to have your friends visit.
