I believe my background and experience has fitted me particularly well to satisfy your high expectations of your councillors by virtue of the following:

- Presently Credit Manager at Bowman's Truck Centre.
- Seven years experience as a councillor for Ward 3.
- Field Representative for Welfare Administration in North Halton 1970-75.

If I am elected, I promise I will be your spokesman on each and every issue that comes before Council. I have no personal axe to grind and am not involved in any business (real estate, subdivisions) organization or activity that could in any way be considered a conflict of interest in the performance of a councillor's duties. Therefore, I can vote on any issue solely upon its own merit. I know I have the ability, and the knowledge, the experience and the interest to be an asset to any Council that may be elected.
