

Ashgrove Social Notes

By MRS. JOHN BELLBODDY
Herald correspondent

On Tuesday evening Oct. 17 the Education and Cultural Activities meeting of the Women's Institute met in Hillcrest Church with Mrs. Marjorie Wilson and Mrs. Kate Stringer as hostesses, thirty five members and one visitor from England. Mrs. Thompson who with her husband is visiting with the Fred Nurses were present. President Mrs. Robt. Alexander opened with the ode and Mary Stewart Collect 19. then 19.

4-H girls presented a skit on the Canadian Flag and how it came to be, each one acted out their parts so well and with their leaders Mrs. Gordon Wingfield and Mrs. F. Gillard deserve a lot of praise, minutes of last meeting were read and Holl Cail answered with My favorite subject when I was in school, District Day and Dessert Luncheon at Ligny on Nov. 9 was announced.

Mrs. George Wood gave a very suitable reading of a Blue Rose followed by the guest speaker Mrs. Hillman who works in the Tinkerbell Nursery at the E.C. Drury school in Milton for children between the ages of two to five with mental disabilities. She said they need loving care, they progress slowly and the school's aim is to develop an individual program for each child at their own level. The Halton Development Centre for 5 to 18 years serves the badly retarded and handicapped children, the Countryside residence has 18 students and they are being trained in life skills so as they can eventually go out on their own.

Each person is very different, they are slow but not stupid and through perseverance and process its all very interesting and a labor of love to the volunteers who work with them every day. The motto given by Mrs. Hector Bird "A Mothers heart is a child's schoolroom" had some wonderful homey thoughts in it. Courtships were given by Mrs. N. Halst and after singing the W.I. Grace meeting closed with a social hour.

Watch out folks, that magic night that means so much to the kiddies is coming, black witches and weird dressed ghosts knocking at the door. Enchantment here one night each year, when ghosts go gliding by at set of sun, magic is spun, on haunted Halloween.

Good old Standard time is coming back the end of the month, after that comes snow and Old Man Winter.

I.O.D.E. votes \$15.00 to U.N.I.C.E.F.

The regular meeting of the Countess of Strathmore Chapter of the I.O.D.E. was held at the home of Mrs. Freddy Burton. The Regent Mrs. Joan Meers was in the chair. The secretary's report was read and adopted as correct. The treasurer's report was accepted. The Educational Secretary reported that a Bursary from the Chapter, of \$100 was to be presented to Chris Halonen of the Georgetown District High School, at their commencement.

The Services at Home I Abroad convenor, Mrs. Hazel McMillan reported that toys and clothing amounting to \$60.41 had been forwarded to Provincial Headquarters for shipment to the Arctic Nursing stations. Mrs. McMillan is assembling a layette to be forwarded before the end of the year.

The sum of \$15.00 was voted to the local Committee for U.N.I.C.E.F.

Doris Barber on behalf of the bridge committee that the bridge round-robin was off to a good start.

At the next meeting the members were to bring saleable articles for an auction sale.

A discussion followed on future project, programmes, budget and general work of the chapter.

A delicious lunch was served by Doris Barber and her committee and Irene Carr expressed the thanks of the Chapter to Mrs. Freddy Burton for the use of her home and to the social committee.

Keeping A Deal
One neighbor was overheard recently talking to an adjoining property owner: "Let's make a deal," he said. "I'll stop trying to keep up with you if you'll stop trying to keep up with me."
