PRESIDENT'S MESSAGE

Bob Hooper

Well hockey fans here we are starting our Fifty-Second season and what a start it is, having already defeated two Senior A clubs in preseason play.

The new Raider look engineered by GM Jack Handy over the summer months includes an old Raider returned in Coach Inglis plus an assortment of exciting hockey players from different parts of Canada and the U.S.A.

This year once again the Raiders are going to go after the elusive Hardy Cup, the number one prize of intermediate hockey clubs across Canada. In order to secure this coveted prize, the Raiders will have to proceed through four separate sets of playoffs to win the Hardy Cup and along the way they will have to beat several qualified Senior A hockey clubs.

The first step would be to win our own league championship which would include two rounds of playoffs.

The second step would be to win the O.H.A. Championship by playing and defeating the champions of the new northern group.

The third step will be the annual Easter Canadian Championship tournament held last year in Fredericton, New Brunswick and this year being held in Timmins, Ontario. As to this date they are the only team to have applied to host the event.

The fourth and final step is the Canadian Championship Round which will feature the eastern and western champions and the round is to be played in the east, this round will give you the 1978-79 Hardy Cup Champions.

I would like to take this opportunity to thank all the supporters of the Raiders and particularly the people and business firms that have made this program the tremendous success that it is this year.

Hope to see you all at the arena.

BOB HOOPER
