Lost from the team are two of its top wrestlers from last year. Dave Paterson has graduated and Brian Pendergast is attending Erindale Collegiate in Mississauga.

"The loss of Brian really hurt," McKay said. "He was just ready to really come into his own. The team has inherited some

very fine wrestlers from Jim Hall's Centennial Middle School team. From that team McKay has Chris Manhire, Ken Ward,

Mike Wreblewski, and Kevin Frank will also join the team in the near future. "All the boys from the Centennial were top notch pre-jun-

ior wrestler," McKay said. "But they are going to have to make a big adjustment and you can't expect them to be too strong their first year." McKay has a much bigger

coaching staff this year. Ray Smith is back and Rick Rodgers; a former champion now living in the area, is also helping out with the coaching. Pete Fournier, Halton Hills' Athlete of the Year and also an OFSSA champion last year, is no doubt the team's biggest hope this year. The grade 13 student is again a definite threat to win it all and McKay said he is also helping out with

In the second game the Cougars blew the Gems out of the building as they tallied eight times. Six of the goals came after the 10-minute mark of the period.

BADLY OUTSHOT The Gems were outshot in the game 48-19. Lockhurst used both Steve Garry and Brad Miller on the night. The two goaltenders faced 61 shots. Lockhurst was successful in

one aspect of the team's game. The Gems took only one minor and one fighting major through the 60 minutes of play. Miller and Garry both saw action against Streetsville as well. This time Miller started

and Garry finished. Again it was the second period which proved to be the Gems' worst one. The Derbys scored three goals in first and four in the third period and six

in the second frame. Three Derby players had hat tricks in the game. Jim Boyington, Bob Darling and Shawn Doherty all scored three goals. Les Campbell had two with Paul Cook and Graham Hall netting singles.

The Gems were again suc cessful in keeping their penalty minutes down. They picked up only three miners on the evening while the Derbys had a mere four minors.

The game was certainly a far cry from the first meeting between the two clubs when the Derbys won in Georgetown 5-1. The score was not however indicative of the play as the Gems were in it most of the

Before the period was out the Gems scored two powerplay goals of their own. Power immed one in with Broadbent carning the assist and then Broadbent and Power set up Bob McCandless for a marker. The second period again proved to be the Gems' downfall
