Bruce White rink wins Grey Cup spiel

By Marg and Stew Teetzel
Saturday was a busy day at North Halton as the club sponsored the Miss North Halton Contest and the mixed curling section held its annual Grey Cup Spiel.

Two final draws were on hand to choose their colors this year and they had a big choice not only could they pick East or West but they had to choose a team too. I chose Ottawa and was a loser all the way.

The first place trophy winning rink was skip Bruce White and his rink of Peggy Crichton, Gavin Strachan and Leanne Windsor.

In second place was Peggy Fischer and her rink of Norma Porter, Warren Micklethwait and Brenda McMurray.

In third place was Stew Teetzel and rink of Jean Trimble, Sherrill Collins and Mary Kitley.

The fourth place rink was skipped by Julie White with Cathy Perego, Gord McKee and Lois Makovnyk.

The high one game winners were Eric Ross and his rink of

Peggy Cumming, Bob Bruce and Jackie Ross.

This is the first year that the mixed section has gone with female skips and it seems to be working out well. Congratulations to the curlers and the mixed committee. It was a superb day.

Following the bonspiel the members of the club were involved in another night of good food and entertainment.

The entertainment being provided by the male section with the crowning of Miss North Halton. Seemingly believing and Miss Laura Alsorts was the number one choice of the judges was presented with a dozen long stemmed red roses.

First runner up was Miss Cookie Box and second runner up Miss Eggpl.

Other prizes awarded were to Miss Prime Evil as Miss Photogenic, Irma LaDouce as Miss Congeniality, Peggy O'Toole as Miss Personality, Pussy Galore as Miss Fashionable and Ms Morphedite as Miss Talent.

A special vote of thanks goes to Betty Wirth for all her efforts in organizing the event, Gord Nugent who acted as Master of Ceremonies and to the good sports - Ray Strickland, Larry Robbins, Pearce Porter, Al Dean, Jim Wilson, Bill French, Harvey Thomas and Howard Jewell, who took part in the contest. The audience was most appreciative.

Don't forget men to sign up now for the men's ice curling which has been rescheduled for December 2nd. The poster is in the lounge.

The curlers from North Halton have started travelling again and we learned that Ann Harford, Mary Black and Betty Wirth joined Shirley McDerment from Fergus in a spiel at Guelph Country Club, where they have a split decision and enjoyed a reunion with Shirley for several years.

Let us remind everyone that we need help in writing this column, so if you're out bumping or know anyone who was, please let us know.

Good curling - see you on the ice!

Sport Council closer to becoming a reality

A Sports Council in Georgetown is much closer to becoming a reality after a successful meeting at Cedarvale last Thursday.

There were approximately 25 people at the meeting and the great majority of the sports played in Georgetown had representatives there.

Present at the meeting were Jennifer Linton, as a representative from the Recreation department and also Harry Levy, who recently topped the polls in the Ward 4 councillor race. Clare Rippen, president of Recreation Advisory Committee was also there.

At the end of the meeting,

which lasted approximately two hours, the people present decided that a Sports Council is more than worth pursuing.

The idea of the Sports Council, which is a brainchild of the Youth Soccer Group is to unite all the sports bodies in town. By uniting the bodies an end would be put to the internal

fighting within the various groups.

"The soccer group has been given a mandate to inform everybody concerned about the meeting," said Alex Tough who is the Group's president.

"The Sports Council would be much different than the Recreation Advisory Commit-

tee in that it would be an independent body. The Advisory committee is a branch of Town council through the recreation department.

"Because we would be an independent body we would have more clout than the advisory committee," said Tough.

Tough said that from the responses he received at the meeting, he definitely thinks the Sports Council will be set up.

There will be another meeting in mid-January and Tough said that by then he hopes to
