**TV games...
popular with
kids of
all ages!**

A Play tennis, handball & hockey or practice skills! Two remote controls, on-screen digital scoring, manual setting of ball, speed & angle, and paddle size. Requires AC adapter (60-3053) or 6 "C" cells (neither included). Black and white. 60-3056

B Three full-colour games provide great entertainment for one or two players. Feel the thrill of controlling the puck "on-the-ice". Test your skills with handball or tennis. Automatic digital scoring sounds. Two remote controls. For 120VAC. 60-3055

C Two or four players will have endless fun playing tennis, hockey & squash—shooting skeet and moving target. Four remote controls. Automatic ball speed and on-screen digital scoring. There are score, paddle and boundary hit sounds. There's even a photocell pistol, with rifle attachment, for target games. Requires 6 "C" batteries or AC adapter (60-3053). Neither is included. 60-3057

D TV SCOREBOARD provides fun-filled games of hockey, tennis or squash for one or two players. Has master control & remote unit. Automatic/manual serving. Ball speed, paddle size & bounce angle are adjustable. Black and white. Requires 6 "AA" batteries or AC adapter (60-3053). Neither is included. 60-3060

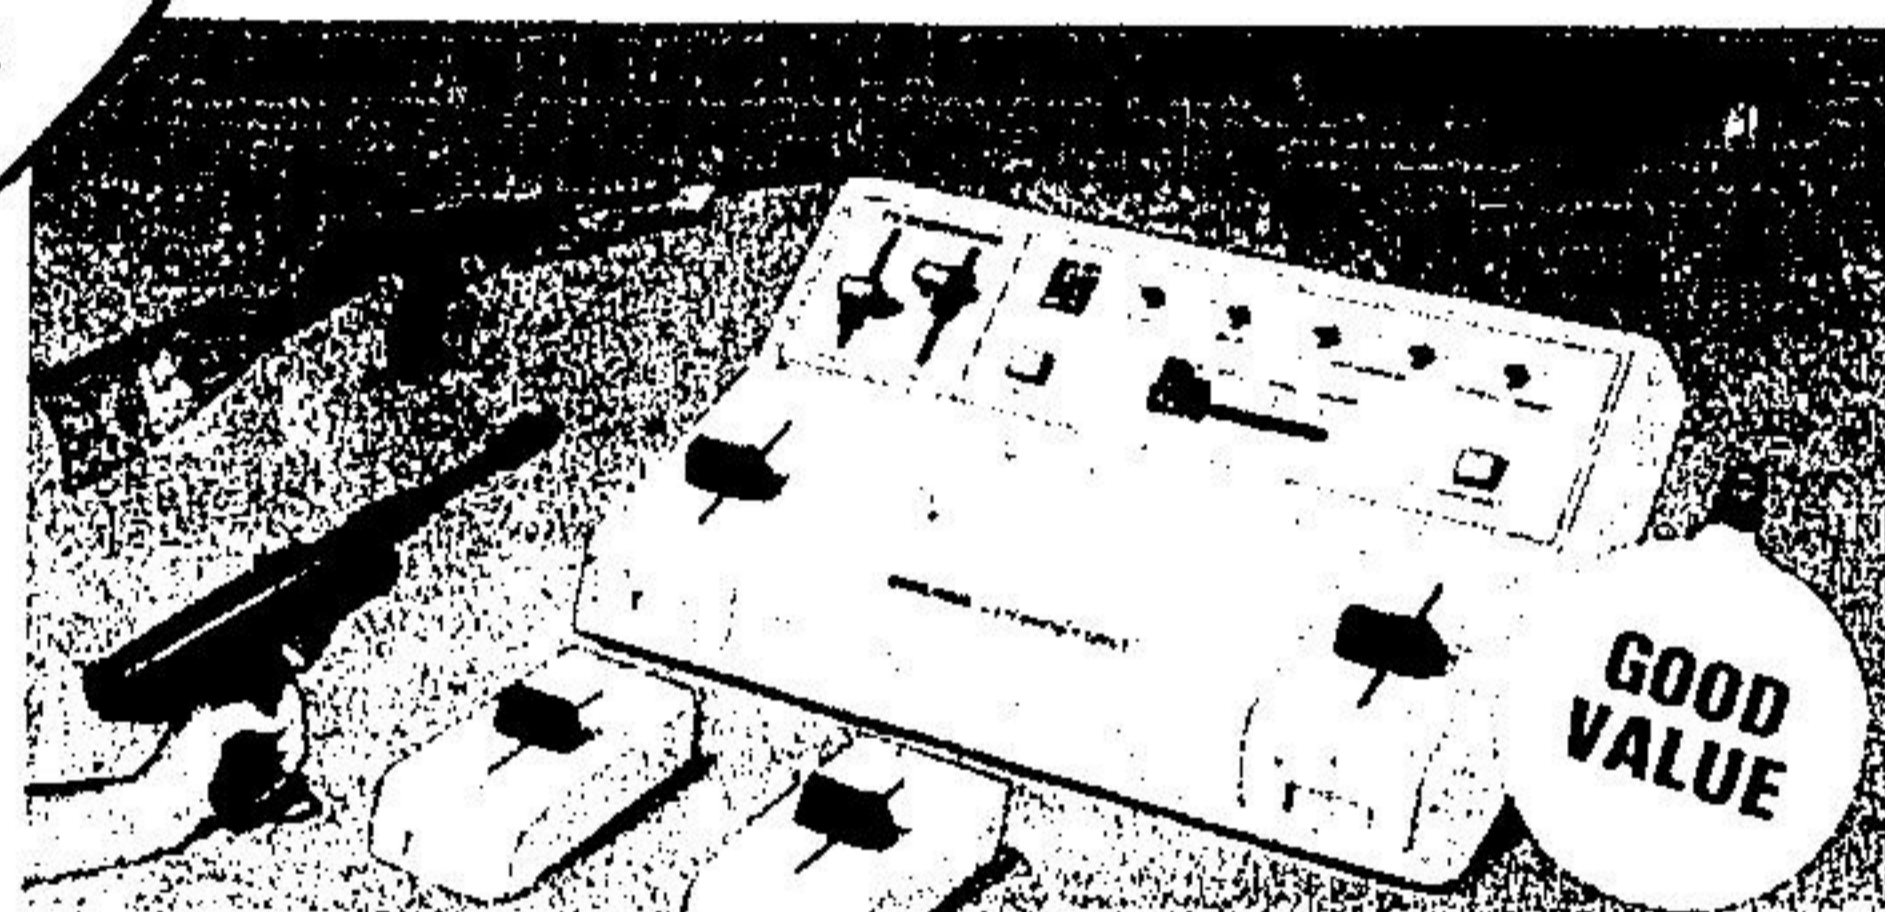

E Play hockey, tennis or squash. Shoot skeet or moving target. Has master control unit and remote player units—including photo-electric pistol. On-screen digital scoring and automatic/manual serving. Variable ball speed, paddle size & bounce angle. Black and white. Requires 6 "AA" batteries or AC adapter (60-3053). Neither is included. 60-3061

Finding it more difficult each year, to pick gifts that you can afford... gifts that your children haven't already had? Come to Radio Shack, where we invent and produce our own novel gifts. Gifts you won't find anywhere else. Some designed for fun, some to teach. All at prices to keep you well within your Christmas budget. There's a Radio Shack store near you, wherever you are. Drop in today!
