Senior Gals defeated

Still flying high defeating the league leading Orangeville Sweethearts, the Senior Industrial League Girls took their Green Machine to Shelburne last Monday and were brought down to earth with a bang as the Kinnettes solidly defeated

them 5-2. Georgetown was in trouble early in the game when Shelburne struck for their first goal. Wendy Travis played a hot hand in goal for the Kinnettes, stopping at least three break-

ways and frustrated the Georgetown attack time and time again. Jenny Smith was the Green Machine's best player, scoring both Georgetown goals. Michelle Michm assisted on both.

A return game slated for Saturday was cancelled due to the Green Machine having so many girls in a volleyball tournament but the girls get back into action tonight (Wednesday) as they travel to Caledon to play the Caledon Queens.

This should be a good game as the Queens, like the Kinnettes, are a vastly improved team. The midget tournament knocks out any home action this weekend.

Bruins win 90-56

The Sheridan College Basketball Bruins romped to an easy 90-56 victory in their only outing last week.

The Bruins had just returned from a tour in Florida and no doubt the exposure against strong American opposition had positive effects on Sheridan as they had no problems

with Conestoga. Georgetown's Mark Reis rediscovered his early season form as he scored 24 points. Dave Zezella, who has been coming on strong, had 11 and Tony Glittens had 10. In women's play Sheridan won 56-27 over Cambrian as the Florida stint obviously did them some good as well.

Chappel rink is first

By Marg and Slew Teetzal
Several curlers from North Halton were members of two rinks entered in the Legion District playdowns in Acton a week ago.

Both teams curled very well and Harvey Chappel's rink of Pat Chamberlain, Gord Campbell and Trevor Williams captured first place and the chance to go on to the Ontario finals.

Graham Farnell's rink of Bill Kirk and Pearce Porter ended up in second place and are the stand by rink.

Thirty-six of our men curlers are participating in the annual

Halton-Peel bonspiel this week. There are 96 rinks taking part in all and the clubs involved are from Orangeville, Brampton, Oakville, Acton, Milton and Georgetown.

Last year's winning rink was Harvey Chappels from North Halton; so good luck fellas!

Five rinks from the ladies section have signed up so far to begin playdowns January 22 to get out of the club.

The rinks involved are skiped by Ann Hartford, Jackie Fosket, Julie White, Alice Fraser, and Peggy Fischer.

The two top teams will participate in the District Tankard playdowns to be held Feb. 12 in Mississauga.

Monday from 10 a.m. to 1 p.m. Mary Black and Julie White held a clinic to assist new curlers since there were several new members signed up the first of the new year.

Welcome to North Halton; we hope you enjoy curling!

The posters are up for the Mixed Midwinter Spiel to be held January 28 to February 3. Be sure to sign up early and get a spot on the draw.
