## Major Atoms lose 1-0 in battle with arch-rivals

Georgetown 0 - Milton 1  
The McNally Firefighters Major Atoms approached this game determined to put out their best effort and none were disappointed at the outcome.

The Atoms gave a gutsy performance and relied solely on their hockey skills and a lot of hustle throughout the game. The hometown fans were thrilled and delighted as the team continued to press even after allowing a goal.

Georgetown had many well engineered rushes and ample opportunity to score but could not seem to get the good shots

away. A total of 17 shots were recorded. Defensively the forwards backchecked tenaciously and the blueliners and goalie stood up solidly, as they allowed only 13 shots on their own goal.

In short it was a classy effort much appreciated by the fans as they gave the team a rousing ovation at the games end.

It would be unfair to single out any individual stars since each and every player contributed much to the outcome.

The coaching staff also deserves much credit for the fine preparation they provided.

Georgetown 6 - Flamboro 1  
Flamboro stayed close to the Atoms for two periods but were overrun in the third as Georgetown applied consistent pressure.

Brian Doherty opened the scoring from Billy Ward and Chris Stevens. In the second period Pat Braund connected from Mike Hurley who had a busy game with a total of three assists and a goal.

Mark Howie had a goal and an assist while Jon Hammer and Neal White recorded singles. Scott Campbell had two setups and Gord Paterson had one.

## Minor midgets split

In action last week the Georgetown Labelmasters Minor Midgets had one good outing nipping Oakville 4-3, but later they were defeated 5-1 by Streetsville.

The Labelmasters came up

with a big effort against Oakville, a team that had only been defeated three times and holds down first place in the league.

Mark Dodge sparked in the Georgetown net as he came up with some excellent saves.

Coach Bruce McMeekin and manager Henry Cull want to thank Terry Brush and Doug Ward for doing a fine job while they were serving their suspension.

Warren Crawford, Gerry Milne and Brad Nicolucci paced the attack as they had a goal and an assist each. Bob Davey had the other goal with Brad McMeekin, Tom Cull and Pat Tunney all collecting an assist.

The team was outclassed by the Streetsville outfit as they were all over Georgetown.

Kevin Stewart scored the Labelmaster's only goal with Chris Peavoy and Mark Hamilton setting him up.

Keith Ledger played a super game in the Georgetown net to keep the game as close as it was.

## Novice Campers take 3-2 victory

The Georgetown North Halton Sports Camp Novice Reps kept up their winning ways with a 3-2 decision over Streetsville Saturday, but the streak came to an end as Brampton nipped them 1-0 back here Sunday.

Against Streetsville captain Pat McCarthy set up Mark Shephard to put the Novices ahead at the 4:08 mark of the first period.

Streetsville scored one in the first period and then got the only one of the second to take the lead.

McCarthy then tallied from linemates Shephard and John Lorito early in the final period to tie the score.

The captain then scored with less than a minute remaining to be played to give his team the victory. It came on a solo effort.

The Brampton contest was an end-to-end thriller with Cory Dochler's second period

## Minor Pee Wees lose two

The Georgetown United Rent-All Minor Pee Wees had a bad week losing both their outings.

The team turned in one of their poorest performances of the year losing to Flamboro 3-2 here last Tuesday.

Brent Smith, with an unassisted effort, was the only Georgetown shooter able to tally. His goal notched the score in the first period at one,

but Flamboro tallied twice in the middle period to take the victory.

Against arch-rival Milton later in the week, a strong performance enabled the Minor Pee Wees to lose by only a 2-1 score.

Roy stopped 26 drives in the game, while the Milton netminder was forced to make only nine saves.

Wayne Morrow scored Georgetown's only goal with a

marker in the third period after Milton had built up a 2-0 lead.

Milton has been a thorn in the side of the Georgetown team for two years now. Last year, although Georgetown went onto win an OMHA zone one title, they lost all five meetings with Milton. Milton has won two of the three meetings the teams have had so far this year.
