**AM/FM Stereo
Pushbutton
Radios for GM,
Ford & Smaller
Foreign Cars**

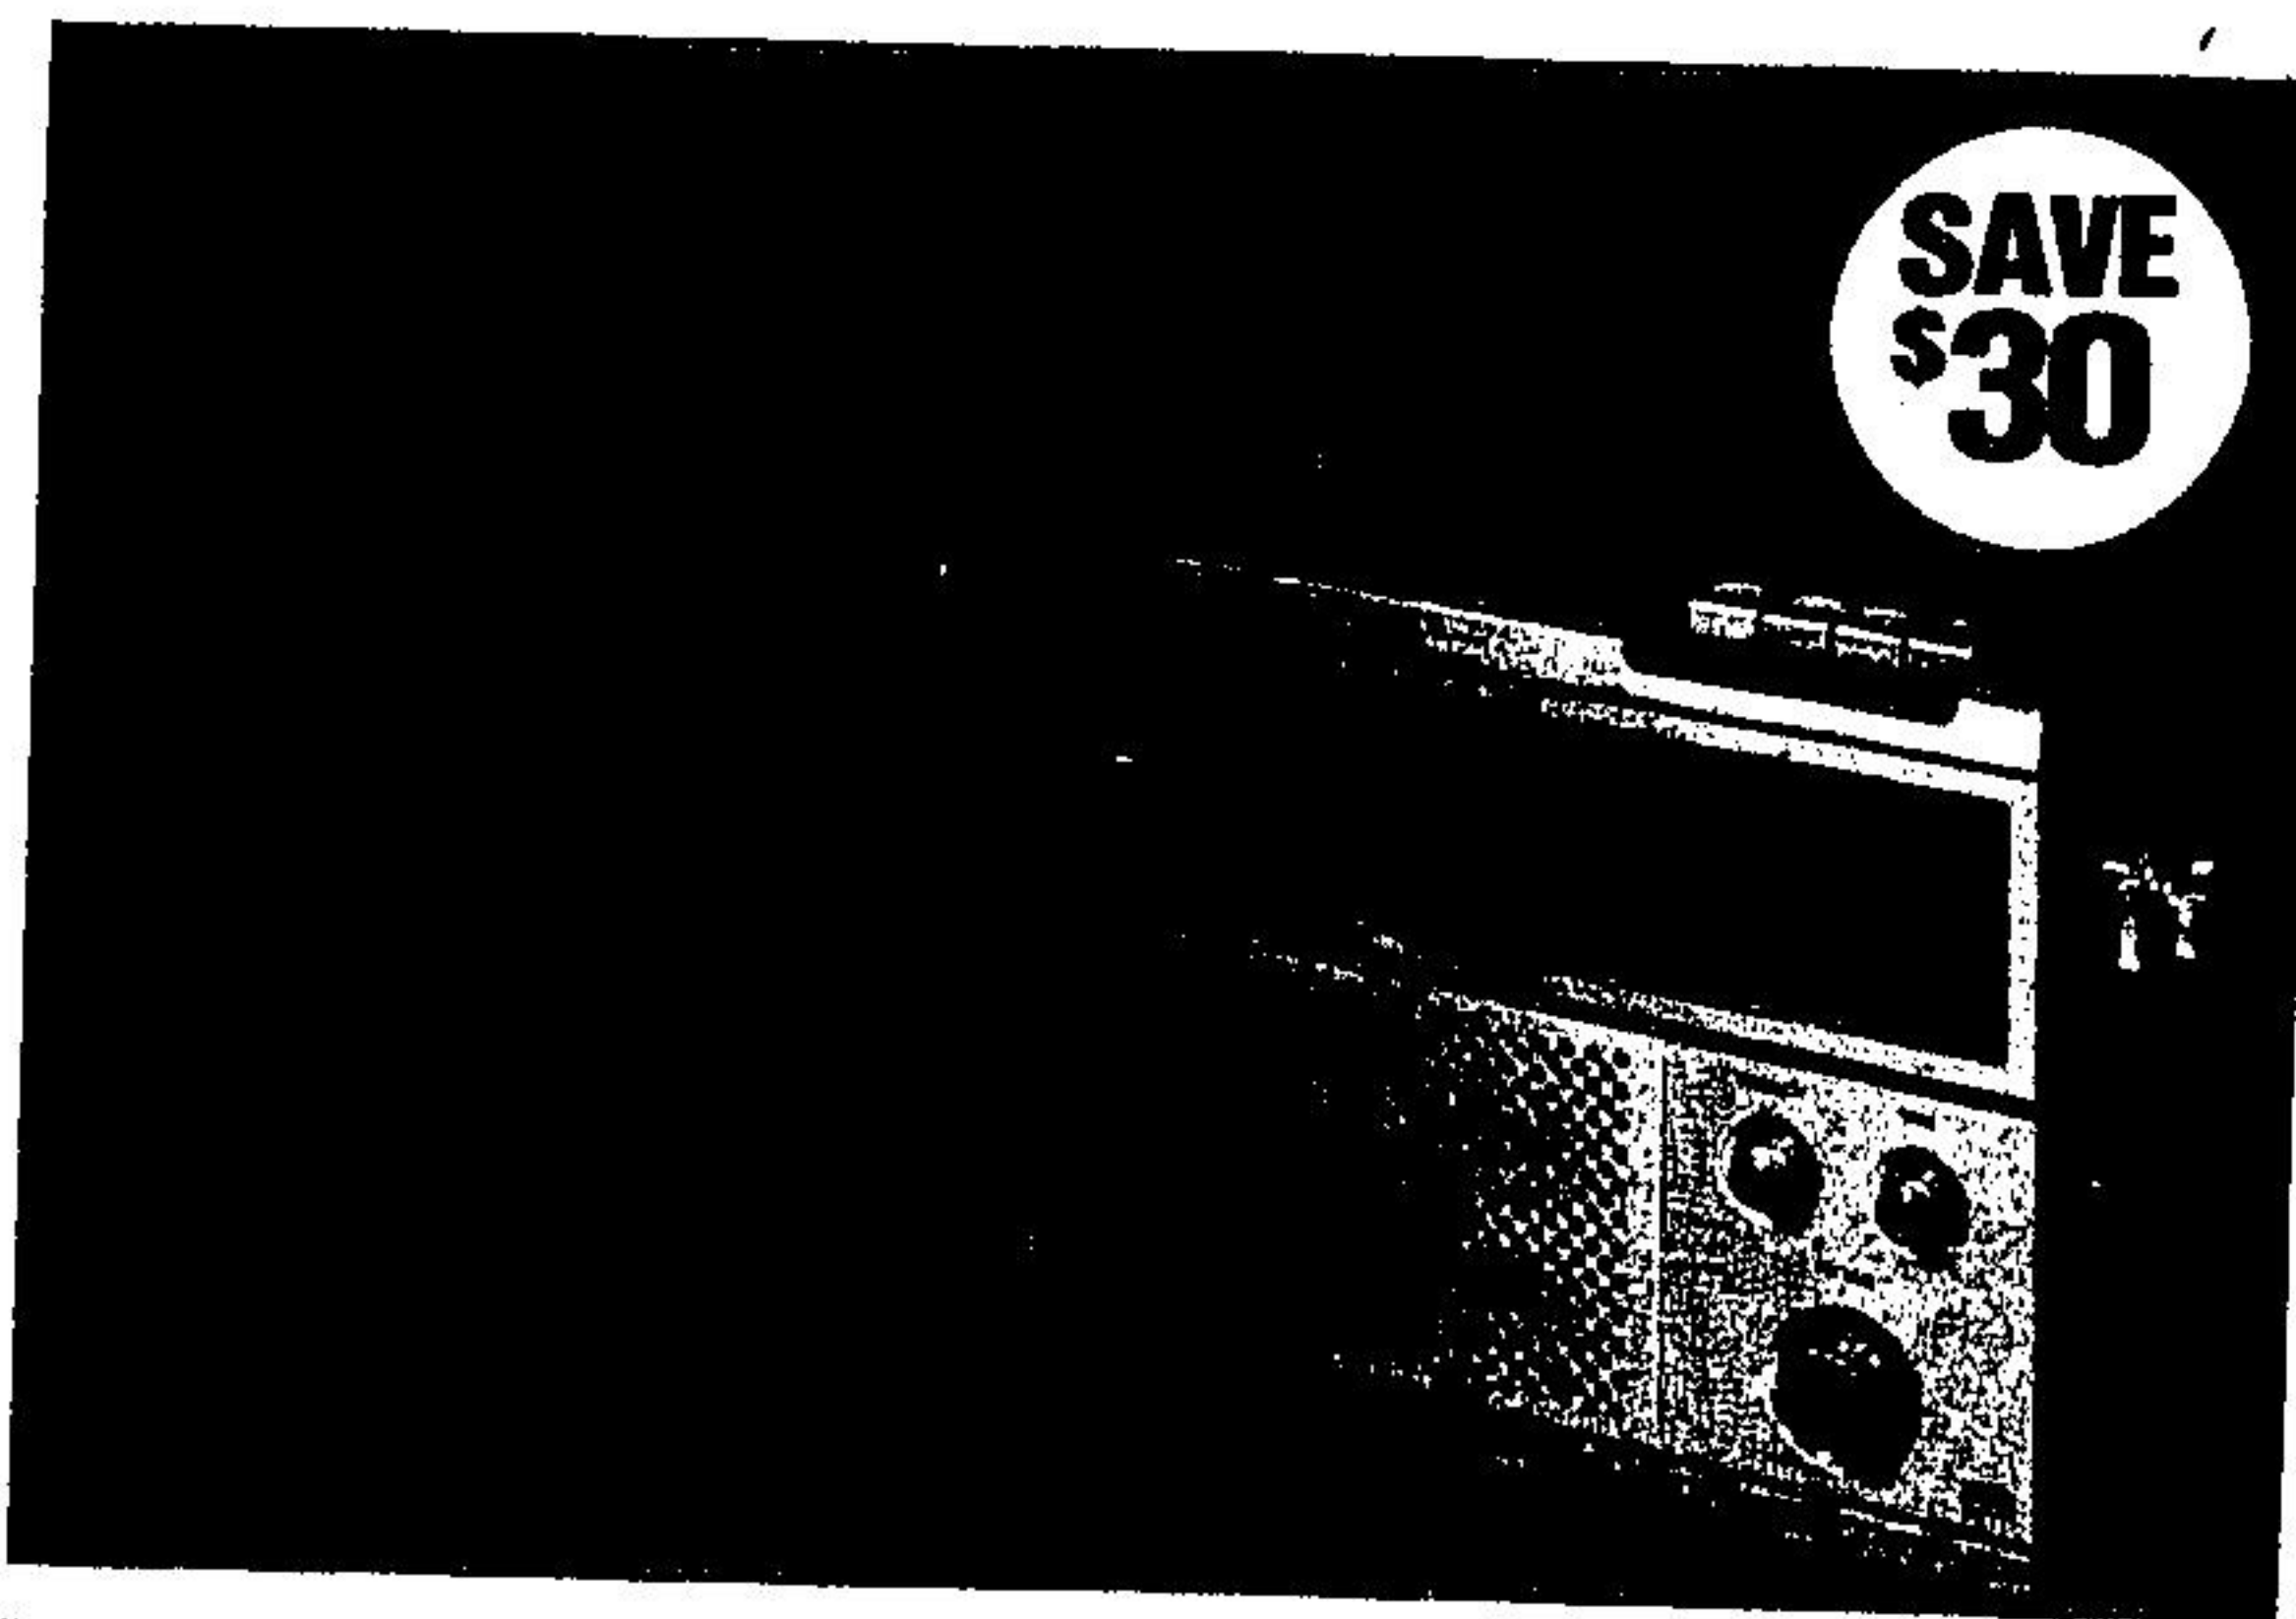

**SAVE
\$10**

Whether you drive a large car or a small foreign car, enjoy beautiful stereo music while you travel! Both radios fit right into the dash of most late-model cars with simple do-it-yourself installation ... to give you the look and sound of a fine, factory-installed radio at just a fraction of the price! Set the five chrome pushbuttons for instant selection of your favourite stations — (12-1839 — 5 AM and 5 FM) and (12-1840 — 2 AM and 3 FM). Other features include ceramic filters on AM & FM, lighted dial and a powerful 8-watt stereo amplifier. For 12 VDC neg. gnd.
A For smaller foreign cars. Measures 1-3/4 x 7 x 5-1/4". Shaft is a fixed 130 mm. 12-1840
B For GM and Ford cars. Measures 2-3/4 x 7-5/8 x 6-1/2". Shaft spacing adjusts from 5-1/2 to 6-1/4". 12-1839
