

Jenny Smith leads Senior Gals to two victories

With just four seconds left on the clock the Caledon Queen's goalie coughed up the puck in her goal crease and Jenny Smith slammed it home to give the Georgetown Senior gals a 3-2 win in Inglewood Wednesday night. Luanne Reid started the play with one of her patented blasts from the point.

The Queen's have improved greatly since the two teams last met and had the game won until the last two minutes of the game.

Linda Cannon of the Queens opened the scoring at 8:32 of the second period finishing off a nice passing play from her linemate.

Reid tied the game less than two minutes later after taking a lead pass from Mickey Richmond.

The Queens pressed but Joan Gilmer in goal held them off until 4:33 of the third period when Nadine Gouldstone finished off a good passing play when she tucked the puck in behind Gilmer. But that was it for the Queens.

Georgetown then pressed for the tie. With less than two minutes left in the game, Denean Jones fed a pass to Jenny Smith who streaked in and flipped the puck over the Caledon goalie's arm into the net.

The girls started off badly but Gilmer kept them in the game as she usually does until things started to click in the third period. Four regulars were out of the lineup but the rest of the girls, Suzzy Rozenbersky, Maria Tasone, Pam Martina, Kelly

Moore, Sharon Anderson and Debbie Osbourne kept skating and contributed to the win as much as the goal scorers.

Michelle Miehm especially played a strong checking game and during the third period when Georgetown had two girls in the penalty box she singlehandedly kept the Queens bottled up in their own end for most of the penalty time.

Coming off the Caledon win, the Green Machine kept rolling along with victories over Brampton and Orangeville last weekend.

Brampton house league all-stars visited on Saturday for an exhibition game and came out on the short end of the 5-3 score.

Smith kept up her hot shooting with three goals for

the Green Machine. Jones and Reid were the other shooters with assists from Osborne, Allen and Smith. Gilmer worked the nets for the win. The seniors also renewed an old friendship as ex-teammate Janet Garten skated for the Brampton side.

A league game in Orangeville on Sunday with an improving Orangeville 2 (Daniel's Flyers) team saw the Green Machine have to work hard for a 4-1 win.

Smith hit for two goals early in the game with Reid and Sharon Anderson assisting. The game settled down as Orangeville threw a checking game at the seniors.

Allen from Smith and Anderson added for Georgetown in the second period. The Flyers Brenda Black broke

the ice for Orangeville on a slapshot early in the final frame and the Flyers pressed the Green Machine hard. Smith and Allen combined for the final Georgetown tally late in the game.

Intermediate goalie, Michelle Fisher, earned the win in the nets with some solid

goaltending. Jones and Miehm played excellent games on the forward line.

With Taylor out injured, Reid did an excellent job of anchoring a young defence. Next Saturday the Green Machine hosts the Shelburne Kinneltes at 5:30 at Gordon Alcott Arena.

Chiefs score two in third period

game's scoring. Bob Osborne was the big gun for Philp as aside from scoring his goal he also set up five other markers.

The Chiefs came up with the only two goals of the last period to steal the victory from Rental.

Rental had jumped ahead 3-0 with two first period goals by Rob Harrison and one by Chris Broadbent.

In the second period the Chiefs got back into the game as Steve Rowland and Warren Craig tallied.

Rental went up by two again as Steve Broadbent got his second of the game.

The third period scorers for the Chiefs were Ernie Schaump and Rod Halls.

It was a very important win for the Chiefs as the two points moved them into sole possession of third place.

The loss left Rental in the cellar, but they trail Way-Jay, who at present hold down the fourth and final playoff spot, by only two points.

Way-Jay gave first place Norval all they could handle for two periods, but the "Red Machine" came on big in the final 20 minutes to take control of the match.

Ian Syme tallied the only goal of the first period to put Norval in the lead.

Jim Blair got that goal back for Way-Jay as he counted the only score of the second period.

Charlie Knoepfl, Blake Ingalls, Ian Syme and Dave Holmes all scored for Norval in the final period. In between the four goals Don Norton scored one for Way-Jay.

Norval has a solid lock on first place and Philp has just about wrapped up second, but the remaining placings in the standings are all up for grabs.

The featured match this coming week will be between Norval and Philp with a 9:15 a.m. starting time. Norval will be out to avenge a 3-0 loss in the teams' last get together. That loss is the only blemish on Norval's record.
