Raiders first to take title for Georgetown

This is the first OHA title a Georgetown team has held since the Arena was built in 1923, and with the series won the fans went wild with excitement. The Girls Pipe Band were on hand with their music and when the special train and the team returned home paraded to the four corners of the Main Street where Mayor Gibbons officially congratulated the team on behalf of the town. The fire siren aroused those who had retired to bed of the victory, and many more joined in the celebration which culminated in the wee small hours of the morning.

Most of the heroes who brought back that title will be at the Hockey Heritage Dinner on February 13 at Holy Cross Church Auditorium.

Two of the players, Scotty Patterson and Hal Gibson, have passed away. Manager Perc Blackburn is also no longer with us and neither are executive members Jack Armstrong, Norm Hill, Don Darrager or Harold McClure.

Most of the remaining

players and executive members will be there.

Other players on the roster were Del Beaumont, Dent Storey, Rene Martin, Ken Nash, Earle Emmons, Ed Binsell, John Rhodes, Max Bradbury, Lee Bradbury and Art Murdoch. Doug Runions coached the squad and the trainer was (who else?) Jack Harrison.

Others on the executive were Ken McMillan, Bob Lane, Tut Harrison, Ernie Thompson, Bud Kentner and Al Teeter sold the programs.

The prez sez

Hi Hockey Fans:

Well the Raiders are still in first place and it is hoped that they will stay there as the Raiders have yet to end the season in first place.

This will be the last edition of Raider Raps prior to the beginning of the 1979 playoffs. This year the playoff structure is a little different than the past since all five teams have a chance, the two last teams will play a best of 5 series. With the winner then playing the first place team.

The reason for this was that Fort Erie were not going to play as many games as the rest of the teams and so in order to keep them in the league, it was decided to have the extra playoff round. In retrospect it would appear that maybe the league would have been better off to let the Fort Erie drop out of the league.

With three rounds of playoffs available there should be lots of good hockey at the Alcolf Arena during March and April.

I hope everyone has their tickets for the Hockey Heritage Dinner.

This year a new aspect has been added in that there will be an old fashion reunion when the 1947-48 Raider Champions attend.

All you long time hockey fans will remember most of the players and for you who don't remember I am sure that you have heard many of the names and it will be a real experience. During the next few years it is hoped that this all important dinner will become a major town social event and with other sports being recognized as well as hockey.

See you at the rink,
Bob Hooper
