Legion Lines

By ROMA TIMPSON We add another of our members to our sick list, that being Alex Goldie who is in Georgetown hospital.

There are two new members at Branch 120 and we welcome L.C. Taylor, Haylawn Cres., and also Len G. Bunton, RR2 Georgetown.

While on the subject of "membership" don't forget that on Saturday March 10th it will be "Membership Night" and at that time new members will be initiated and Honours and Awards will be given out.

Those of you who have not paid your membership as yet, will find the door to our Club-room still locked if you try to use your present colored key-card as of Monday March 5th.

It's time to circle your calendar again if you haven't already done so. On Saturday March 17th, will be a big night for the ladies when the Imperial Section hold their very popular Elimination Dance and Draw for the Ladies.

For those of you who enjoy the Mini-Bingo at our Branch, this Saturday night is for you. The bingo will be held in the clubroom and this is quite a popular type of entertainment.

I have been given the Friday and Saturday DJ's names for the month of March and beginning this Friday it will be Boots Hurren and followed on Saturday by Norm Eyres.

Potato Power Potatoes are an important source of vitamins and minerals. One medium-size potato provides more than one-third of the necessary vitamin C your body needs. In addition, potatoes possess vitamins B-6 and B-12 plus thiamin, niacin and folic acid. About 15 per cent of the body's iron requirement can be consumed daily in one potato. Some trace minerals are also part of the potato. And potatoes only yield approximately 110 calories each.
