

WINNING IS A PIECE OF CAKE IN HONDA'S 10TH ANNIVERSARY CELEBRATION.

It's been 10 short years since Canadian Honda Motor Limited opened its doors in Canada. And in those 10 short years people like you have made Honda the best selling small car in Canada. So to thank you, and to commemorate our Anniversary, we're having a celebration. And what a celebration.

WIN A HONDA SPECIAL X.

A special anniversary demands a special car. So we created the limited edition Honda Special X. Only 1,500 of these Special X's will ever be available. And only 1,490 of them will be for sale because we're giving 10 of them away during our Celebration.

The Special X has special metallic Blue-Black paint. The door panels and fully reclining bucket seats have a special tartan cloth insert. The body is trimmed with special striping. There's an outside sports type mirror and interior day-night mirror. A woodgrained steering wheel. And much more.

The Special X also comes with a five-speed transmission, AM radio, rack and pinion steering, radial tires, full carpeting, tachometer and, of course, the front wheel drive that has helped make Honda the phenomenal success it has been.

The Special X is such a special car that even if we

weren't having a celebration it would be worth coming in to see it. But we must remind you that it is a limited edition of 1,500. And once those 1,500 are gone, that's it.

WIN A HONDA ACCORD HATCHBACK.

The Accord Hatchback has been described by some of the world's most knowledgeable car people as the darn near perfect car. And during our celebration, we're giving one away.

The Accord comes complete with AM/FM radio, 5-speed transmission, rack and pinion steering, fully independent suspension, front wheel drive, fully reclining bucket seats and a whole lot more.

WIN A HONDA ACCORD SEDAN.

If the Accord Hatchback is the darn near perfect car, then the sedan is its perfect partner. Because it not only shares all the Hatchback's features, but it has the added convenience of four doors.

Come on in and look at one during our Celebration, because we're giving one away. And while you're looking pay particular attention to the fit, the finish and the detail of an Accord's construction.

WIN A HONDA PRELUDE.

The new Honda Prelude is the latest example of the fresh thinking Honda is bringing to the automotive world. It is a truly personal GT car that comes with front wheel drive. A technologically advanced fully independent suspension. And a cockpit that is the state of the art; including a 'speed-o-tach' that lets you monitor the engine speed and road speed at a single glance.

All in all, the Honda Prelude is the GT car re-thought. And just think of it, we're giving one away that you could have a chance to win.

WIN A HONDA Z-50.

The Z-50 is Honda's nifty little mini-bike. We're giving 100 of them away. The Z-50 is a perfect partner for trail, camping or cottage use and can be ridden by just about anyone in the whole family.

WINNING IS A PIECE OF CAKE.

All you have to do is come in to a participating Honda dealer. It's open to anyone who holds a valid driver's licence. Come on in, have a look around and fill in an entry form. And don't forget to take a test drive. Because with every test drive we're giving away a hat that commemorates our 10th Anniversary.

Come on in now and help us celebrate. Contest closes May 31st, 1979.

Quantities limited.
