

Atoms take consolation at 4-town tourney

Georgetown Four Town Atom Selects came home Consolation Champions last Saturday from Milton, winning on shots on goal over Orangeville in the final game after losing the same way to Streetsville in the first game.

The first game against Streetsville was a toughly-

contested game. For the first two minutes it appeared Georgetown had tournament jitters. They pulled themselves together and from there on in played as a well organized unit.

At the end of the second period the score was tied 1-1. In the third period it looked like the Rent-All crew would

take the lead, but the officials disallowed a Georgetown goal and the game ended tied.

An overtime period had to be played but both teams tightened their defense and the score remained tied. According to the tournament rules, Streetsville was awarded the win because they had recorded the first shot in the game.

Georgetown moved into the consolation series to play against Orangeville. The Rent-All team had their work

cut out for them since on two previous occasions in an exhibition series they were unable to penetrate a strong Orangeville defense.

The Georgetown team with a strong team effort met the challenge playing an outstanding game. At the end of regulation time the score was tied 3-3 which meant another overtime period. At the end of the overtime period the score remained 3-3.

The Georgetown boys with a strong offensive effort early in the game had the

first shot on net by Brent Hutt which resulted in a goal, assists by Bob Klavka and Brian Peacock.

This gave Georgetown the win and the Atom Consolation Championship.

In the first game the Georgetown goal was scored by Bob Klavka with assists going to Hutt and Brad Klavka. Howard Green played well in net along with outstanding efforts by Graham Shepherd, Jim Carpenter and Rich Chiovitti.

Goal scorers in the second

game were Hutt, Brad Klavka and Heath Lockhurst with assists going to Bob Klavka (2), Brian Peacock, Hutt and Rory Kennedy. In addition Lance Reid and Mike Tyler played a strong game assisting in a total team effort.

Coach Tom Davidson, assistant coach Scott Pentesco and Manager Dawn Pentesco are extremely proud of the team and congratulate all players for bringing the Atom Consolation Championship to Georgetown.

Raider scoring

Kudrasovs wins southern race

The Georgetown Raiders' Juri Kudrasovs won the scoring title in the southern division of the Intermediate "A" loop, but it is very doubtful that he took the overall title.

Kudrasovs had 79 points to win in the south. Closest to him was teammate Ray Tonelli with 73.

The final statistics are not in for the northern division teams as of yet.

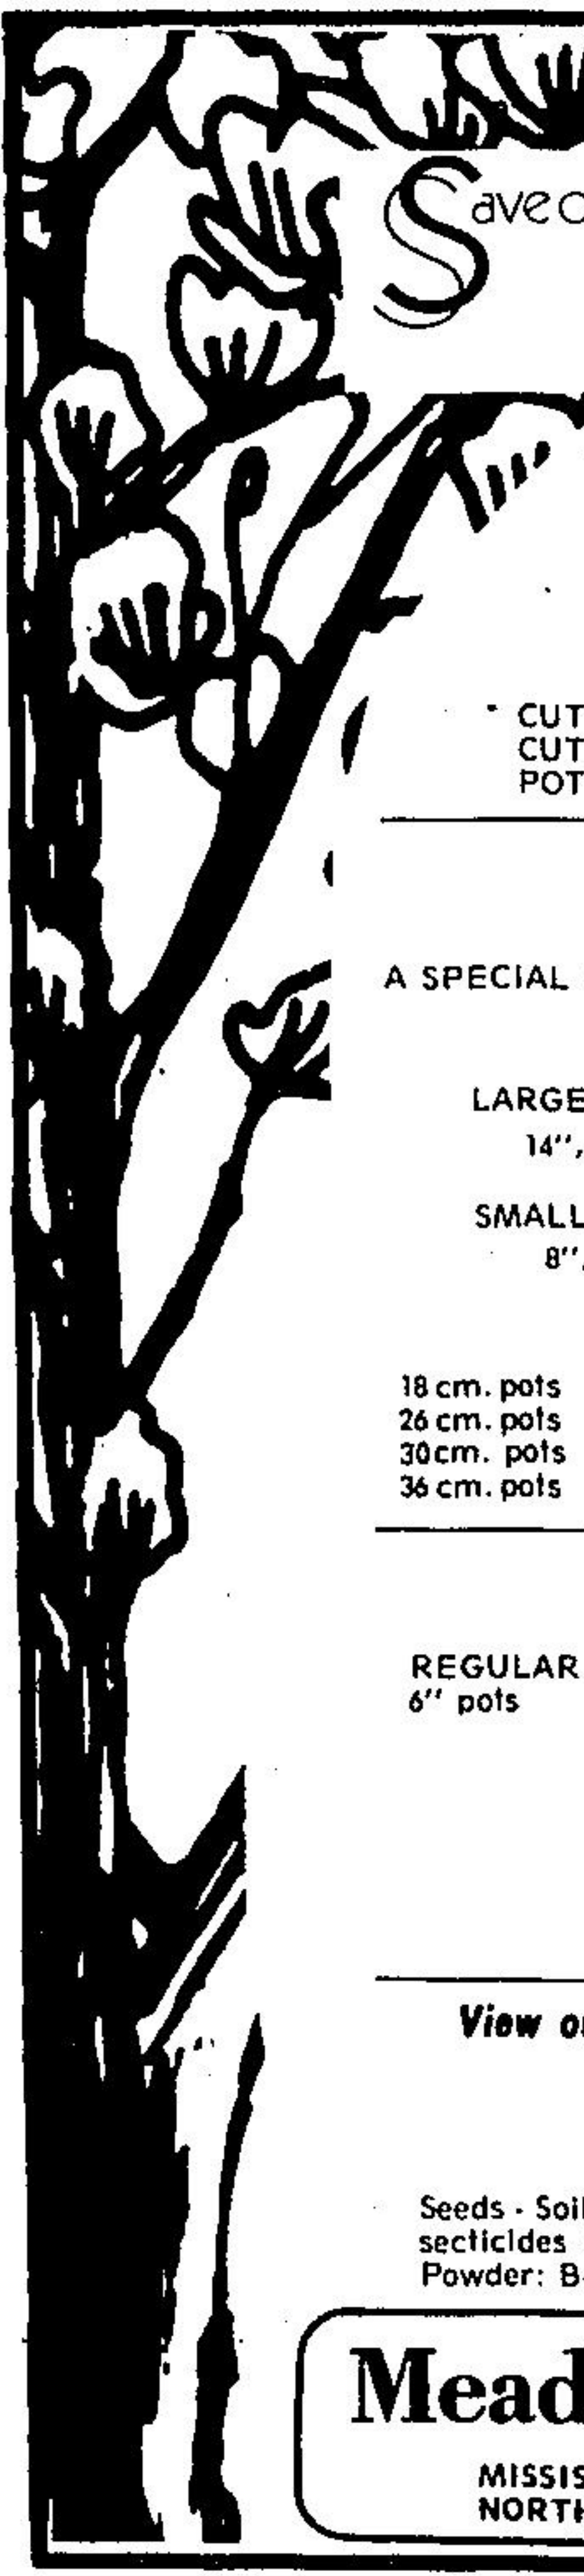

With a game against Orangeville still to count the Collingwood Shipbuilder's Don Westbrooke had 77 points. If Westbrooke played that game against Orangeville it is very unlikely he was held to less than two points.

There is also a possibility that Dean Symons, with 60 points, caught Kudrasovs as he still had three games to count.

However, in the northern division the teams play 38 games while in the south they play only 34.

	PPG.	GP	G	A.	P.	PM
Juri Kudrasovs	2.72	29	38	41	79	8
Ray Tonelli	2.21	33	30	43	73	43
