

## Intermediate hockey action

It's now pointing to a Norval-Philp Publishing final for the Georgetown Industrial Hockey League championship.

Norval and Philp both took convincing wins Sunday and lead in their respective semi-finals.

Norval, the defending league champions, defeated Way-Jay 6-2 and lead that series four points to none.

Philp blanked the Caledon Chiefs 4-0 and have a three points to one lead in that semi-final.

The first two teams to reach six points in either series will advance to the final.

Way-Jay gave Norval a good battle in the series' first game, but it was strictly no-contest in the second match.

Norval scored before the two minute mark of the period and never looked back.

The score was not even indicative of the play as Norval swarmed all around Way-Jay netminder Ken Eckroth.

Ian Syme and Brian Beaumont paced the Norval attack with two markers each.

Unless something totally unexpected happens Norval should wrap this encounter up next weekend.

Philp was surprised in the first game of their series as the Chiefs earned a 3-3 draw.

The first period of the second game was also very close as neither team was able to notch an initial marker.

The Osborne boys went to work in the second period

and it was all Philp after that.

Ron Osborne was in net to earn the shutout for Philp.

The turning point in the game, and as it may turn out the series, came in the first period of this game.

Midway through the first period Philp's Big Bob Riley hit the Chiefs' John Thompson with a crunching body check. It was the hardest check of the playoffs so far and it seemed to put Philp on the road to victory.

## WAY JAY ROMPS

Ian Syme was stopped by Way-Jay's Ken Eckroth in close on this play but he and his Norval teammates were successful enough to romp to a 6-2 win. In the other semi-finals Philp Publishing defeated Caledon Chiefs 4-0.

## Do you know what turns people off?

You probably think you do. They're mostly the things that turn you off, right? Well, see how right you are. Check the habits below you think will turn people off.

- 1. Filling up a hot tub instead of taking a shower.
- 2. Turning on the floodlights to light up the house all night.
- 3. Turning up the thermostat, then opening a window.
- 4. Leaving the TV on in one room while you eat dinner in another.
- 5. Cooking on an element too big for the pot.
- 6. Brightening up the house at dusk by turning on all the lights.
- 7. Turning the washing machine on to launder just a couple of things.
- 8. Filling the kettle up to make a single cup.

If you checked them all, 1 to 8, you're right. Because waste of electricity, like anything everybody really needs, is a bad habit.

That makes all the habits above turn-offs. Which is a good reason for all of us to avoid them.

## Wasting electricity turns people off.

This message is brought to you by your Hydro on behalf of people who care.

## LADIES ---

### ARE YOU GOING TO POT?

Are you melting into oblivion because of excess flab?  
Is your personality suffering because you're "over the hill?"

### YOU CAN DO SOMETHING ABOUT IT--- Join the "NIFTY FIFTIES"!

Trim down and shape up with us - with a little fun thrown in. We can't make you any younger but you will feel it and look good again. Be ready for all the action this Summer.

We won't ask to see your Birth Certificate (or even your Social Insurance Number) but we will require a Medical Certificate from your doctor as to your general health. You won't be requested to do anything beyond your physical capabilities.

Classes commence Tuesday, April 3, 1979, through June 26. Tuesday afternoons at 2:00; or Wednesday evenings at 8:00; at

**GORDON ALCOTT MEMORIAL ARENA** (across from the Georgetown Market Place)

PRICE: \$30.00 THE COURSE (13 WEEKS)
