Vacation Guide

Steamboating along the queen of rivers

THE WINDING MISSISSIPPI RIVER, which runs through the heart of America, has long been the subject of legend. Satisfy your romantic urges, and follow in the pole-strokes of Huckleberry Finn, by taking a leisurely cruise on board of one of the steamboats, the *Delta Queen* and the *Mississippi Queen*, that ply the river today, on voyages lasting three or more days. Photo courtesy: Delta Queen Steamboat Company.

The Mississippi River has been a favorite subject of the American imagination since Mark Twain, himself enamored of the River since boyhood, sent Huckleberry Finn along it on a raft.

And nothing could be more romantic or more satisfying to the dreamer in all of us than to imitate both Huck and his creator, by setting off along that glorious winding waterway, so much a part of America's history and

legend.

Today, however, you no longer need to set off with raft and pole to make this fantasy come to life.

Instead, succumb to the lure of the Mississippi in style, with a cruise from New Orleans up the river and back down again, on board one of the luxurious steamboats that ply the Mississippi today.

If you sail on the *Delta Queen* or the stately, modern

paddlewheeler, the *Mississippi Queen*, you will be able to choose from cruises that vary from three to seven days in length.

Besides reveling in the pure pleasure of a leisurely journey along the Mississippi, you will be able to enjoy stops at a number of different plantations and cities, jewels in the crown of the Old South.

Rosedown, at St. Francisville, Louisiana, boasts priceless furnishings and splendid, beautifully manicured gardens that are a joy to behold.

For further information on steamboating on board the *Mississippi Queen* or the *Delta Queen*, contact the Delta Queen Steamboat Co., 511 Main Street, Cincinnati, OH 45202.
