FOR THREE YEARS RUNNING FRONT WHEEL DRIVE HAS MADE HONDA CIVIC THE FRONT RUNNER.

In the past ten years there've been a lot of new car concepts that have come and gone. There's also been one that has come and stayed - the Honda Civic. It not only came to Canada and stayed, but it came and drove to the top and stayed. In fact, for the past three years Honda Civic has been the best selling small car in Canada.

YOU DON'T HAVE TO PUSH WHEN YOU'VE GOT PULL.

Undoubtedly, one of the main reasons for Civic's phenomenal success has been its front wheel drive. (Honda was the first to successfully popularize this concept in Canada.) With Honda's front wheel drive system, the motor and transmission are mounted over the drive wheels, so the weight helps the wheels to bite into the snow or mud and pull the car

through it. And because the wheels that are pulling the car are the wheels that are steering the car, you also get much better steering control.

A SPECIAL HONDA ANNIVERSARY DESERVES A SPECIAL ANNIVERSARY HONDA.

The spring of 1979 marks a rather special time for Honda dealers, because it's the 10th Anniversary of Canadian Honda Motor Ltd. So to help commemorate this special time, we've developed a limited edition of a very special car - the Honda Special X. The Special X comes with special metallic Blue/Black

paint, special striping, radial tires, five-speed transmission. A special tartan cloth insert in the seats and doors. A wood grain steering wheel. And many more Special X features. It also comes with all the other features that have helped make Honda the best selling small car in Canada. Front wheel drive, of course, is standard. As is rack and pinion steering. Fully independent suspension on all four wheels. Power assisted front disc brakes. Reclining front bucket seats. Tinted windows. Carpeting. And a reputation that says it's one of the most enjoyable cars in the world to drive.

TEST DRIVE A HONDA. WIN A HONDA.

To commemorate our 10th Anniversary and thank you for making us so phenomenally successful, Honda dealers are having a celebration. And they're giving Hondas away. They're giving away one Special X a week for ten consecutive weeks. Then they're giving away a Honda Accord Hatchback and a Honda Accord Sedan. They're also giving away one of the exciting new Honda Preludes, the GT car re-thought. And, as if that wasn't enough, they're also giving away 100 Z-50 Honda Mini-Bikes. And to top it all off, everyone who comes in for a test drive during the celebration gets a Honda 10th Anniversary cap!

How do you enter? It's a piece of cake. All you have to do is go to your Honda dealers and fill in an entry form. And don't forget to check out the complete line of Hondas available. And take a test drive. You'll see that Honda didn't get to be No. 1 by being second best. Contest ends May 31, 1979.

\$4,695

Manufacturer's suggested price for the 2-door Civic Sedan. Price does not include freight, provincial taxes, license and other preparation charges. Dealer may sell for less.

Some R.L.D. prices may vary. Starting week of March. *Quotas limited.
