

## Limehouse holiday visitors

By Mrs. A.W. BENTON  
Herald correspondent  
Mrs. Paul Spitzer has returned from a holiday with her sister and husband at St. Petersburg, Florida.  
Mrs. E. Hoedemaker of Vancouver had a week visiting her mother, Mrs. Gordon Booth recently.  
School was cancelled on Friday due to the big storm.  
A bountiful pot-luck dinner preceded the Women's Institute meeting in Limehouse Memorial Hall last Thursday afternoon.  
President Mrs. Booth conducted the meeting. Short reports of recent activities were heard - a hydroculture party, a candy making demonstration, the first of a bi-weekly mar-

athon euvre series, and a quilting course - all successful.  
Mrs. Kirkwood told us that Mr. Carbutt of the Agricultural Museum had suggested that we make a quilt top and demonstrate quilting at the W.I. Hall there. This may be arranged later as the ladies have work ahead already.  
Correspondence brought an appeal for baking for the Manor tea May 16, a thank you from the Georgetown and District Memorial Hospital for a donation and a donation was made to the N. Halton Association for the Performing and Creative Arts. 4H Homemaking Club Achievement Day for "Accessories - The Final Touch" will be held in E.C. Drury school May 3 at 7:30 p.m., a lengthy letter from Prov. Sec'y. Margaret Birch and a Home Economics Branch program concerning workshops and courses. Quilts Summary Day will be held May 23, 2 to 5 p.m. at the Optimist Club, 311 Commercial St. Milton. Thirteen paid fees as roll call.

Minutes of the March meeting and the previous annual meeting were read and approved and the secretary's treasurers auditors, convenors, etc reports were read for the year.  
Mrs. J. Crichton was asked to preside for election of officers - Past Pres. - Mrs. G. Booth; Pres. - Mrs. T.N. Anderson; 1st Vice Pres. - Mrs. F. Hannah; 2nd Vice Pres. - Mrs. A.J. Benton; Sec'y Treas. - Mrs. W. Kirkwood, Assit. Treas. - Mrs. J. Roughley; District Director - Mrs. G. Booth; Alternates - Mrs. E. Sanford and Mrs. F.J.C. Brown; Auditors - Mrs. H. Moulden and Mrs. S. Mileham; Convenors of standing committees appointed were: Agri. and Can. Industries - Mrs. Hannah; Citizenship and World Affairs - Mrs. Roughley; Education and Cultural Activities - Mrs. A.J. Benton; Family and Consumer Affairs - Mrs. Anderson; Resolutions - Mrs. Booth; Curator - Mrs. A.W. Benton; Public Relations - Mrs. Moulden.  
Mrs. Anderson took over for the remainder of the meeting. The May meeting will begin with a tour of McDonald's at 1:30 p.m. A thank you is to be extended to the Scout Executive for work done at the Hall and to Vic Galliford for refurnishing the floor there. Luncheon tickets for District Annual May 17 costing \$4.25 each must be purchased before April 30. Bannockburn will be in charge at Knox Church, Acton. A long day was ended.

## Barley payments announced

Stabilization for 1977 Barley  
By Henry J. Stanley  
Agriculture representative  
Agriculture Minister Eugene Whelan announced there will be a stabilization payment for the 1977 barley crop. Producers will receive a deficiency payment of \$7.35 per tonne (16c per bushel) on barley sold between August 1, 1977 and July 31, 1978. Payment will be based on barley at 14 per cent moisture.  
The weighted average market price during the crop year was \$80.84 per tonne (\$1.76 per bushel), and the support price was \$88.19 per tonne (\$1.92 per bushel). Malting barley and seed will also be included in this program, because there was no significant premium paid for these as compared with the price for commercial barley. Payments under the program will be made only on commercial sales.  
The same 'net sales' concept used in the 1977 corn stabilization plan is being used. However, they will cross reference the 1977 corn and 1977 barley programs to ensure that producers do not have their purchased feeds deducted twice, i.e. under both the corn and barley programs.  
Maximum eligibility under the barley program will be 160 tonnes, with a two-tonne deductible.  
Application forms are now available at the Agricultural Office, Milton.

# Vacation Guide

## Coast-to-Coast Canadian Holidays

See the Rockies by train, the North by bus, the Midwest by car or Canada's most exciting cities by rental car. All these choices and more are offered in CP Air's 22 vacation packages that cover most of the country and cost less than you might think.

The Okanagan Routes tour combines a few days of British charm in Victoria with a delightfully contrasting bus trip through the soaring British Columbia mountains.

You visit Kamloops, trade centre for a prosperous cattle ranching, fruit-growing and lumbering region; the small community of Three Valley where, if you're lucky you'll see the legendary Shuswap monster during your cruise on beautiful Shuswap Lake; Fairmont Hot Springs; Nelson and Kelowna. All this plus some of the most spectacular scenery in Canada which you enjoy from the comfort of a bus.

You return to Vancouver for two nights where a sight-seeing tour is arranged to ensure you see as much of this enchanting city as possible.

There are six departure dates between June 1 and October 3 and prices, based on double sharing, range from \$517 per person from Calgary to \$722 from Halifax. The trip is 11 days.

Another fresh-air trip includes a few days in the excitement of downtown Vancouver and a contrastingly serene week in the mountains at Chilko Lake Wilderness Ranch. You fly CP Air to Vancouver, then catch a private plane to Chilko.

Your work day tensions will evaporate as you spend seven days among forest-covered slopes horseback riding, fishing, hiking, sailing, canoeing or just relaxing. Indoor facilities include a heated swimming pool, two saunas, pool tables and ping-pong. The 10-day package includes all air fare, accommoda-

tion and meals at the ranch. For further information on Costs start at \$771 from Canada as a travel destination contact the Canadian Government Office of Tourism, Ottawa, KIA 0H6, Canada.
