# Firefighters take league title in three games over Oakville

The Georgetown McNally Firefighters and McNally Construction Major Atoms reign as Tri-county champions after defeating Oakville in the final three games to one.

In the two games last week Georgetown took convincing 4-2 and 3-1 victories.

In the first win Pat Braund put Georgetown on the board in the opening period with his centreman Mike Hurley feeding him the pass.

Georgetown then pulled away in the second period as Hurley went to work. The centreman scored two goals in the period. Mark Howie, the other member of the line, assisted on the first marker and the second one came on a solo effort.

With about four minutes to go in the third period Oakville ruined Steve Tucker's shutout bid as Thomas Gelfros tallied.

Late in the period Hurley completed his hat trick. Danny Kent set him up.

With 55 seconds left on the clock Oakville made the score respectable with Michael Karazian talling.

**JUMPED IN FRONT**  
In the second game it was Oakville that jumped in front early with the only goal of the first period. Scott Grey was the scorer.

In the second period it was all Georgetown as they overtook their opponents with the frame's only two goals.

Howie tied the score midway through the period with Hurley and Mark Pries drawing the assists and about three minutes later Kent got the winner on play set up by Dean Irvine and Scott Campbell.

The game remained very close in the third period with Oakville hanging tough.

However, Tucker and his defense corps refused to relinquish the tying goal.

Then with six seconds left and the Oakville netminder out in favor of a sixth attacker Hurley fired the puck into the empty cage to give Georgetown certain victory.

The championship concluded a long and busy season for coach Harold Gilmer and his troops. The team has played in 65 games this year.

In league play the team had a very impressive mark. They had 28 wins, one loss and a tie in their 30 games.

Gilmer said he would like to thank all the parents for the support he received. He said he would particularly thank his assistant coach John Doherty, manager Fred Hammer, statistician Wayne

Pries and Rob Irvine, who has taken all the photographs of the team that have appeared in The Herald.
