High-power 4-way speaker

for "surround sound" stereo travel!

Reg. 129.95 pair

NOW — the ultimate in 4-way speakers to let you enjoy rich stereo sound while you cruise along the highway — or wherever you are! While you can get these speakers at this UNBELIEVABLE LOW PRICE, why not buy a second pair for your boat... and what an opportunity to add beautiful, "at-home" fidelity sound to your van! It's a 6 x 9" foam rolled edge system — maximum power handling 30 watts RMS. Frequency response 60 Hz to 18 kHz ±5 dB. The supertweeter is a 1/2" horn-loaded dome, which extends the high frequency response! But the secret of this speaker system's great sound is the 4 separate speakers — combined by a sophisticated electronic crossover network! Call at your nearby Radio Shack store — LISTEN! (These speakers will team up with any of the Auto Power Booster/Frequency Equalizers, shown below, for great performance). 40-8032

Power booster frequency equalizers for superb stereo in your auto

NEW!
Power booster/
frequency equalizer

109⁹⁵

Compact booster delivers plenty of power for high fidelity sound. Equalizer gives tonal compensation needed to match car's acoustics. 15 watts RMS per channel at less than 1% THD. Front/rear speaker fader control. 5 band equalization: 60 Hz, 250 Hz, 1 kHz, 3.5 kHz & 12 kHz, 2 x 6 x 5-1/8". For 12 VDC neg. gnd. Can be connected to BTL type units. 12-8000

40-watt
total stereo
power booster

69⁹⁵

Convert your present car stereo into a high-powered hi-fidelity system! Delivers great sound in big vehicles — vans, trucks & boats. And the sound is undistorted — even at high volumes! 2-way selector switches from radio to tape deck. Plug-in connections. Power indicator lamp. 3-7/8 x 5-7/8 x 3-7/8". 12-1877

Stereo
frequency
equalizer/
booster

129⁹⁵

Deluxe motored equalizer/booster. 40 watt total output, provides enough power for hi-fi sound in cars, vans — even motorhomes! 5-band equalizer gives complete control of lows, highs & midrange. When used with 4-speaker systems, fader control balances front & rear volume. Tape/radio switch. Plug-in connections. 2 x 7-3/8 x 5-1/2". 12-1879

Waking up is pleasant with an AM/FM digital clock radio!

Chronomatic-209 calls you in the morning — to AM news, FM music or buzzer! If you're still sleepy, hit the snooze button and alarm repeats in approximately 9 minutes. Big, bright LED clock display can be easily read across the room. Hi-lo dimmer switch. Set sleep switch and fall asleep to a timed "serenade"! Radio has AFC on FM & earphone jack. 12-1514
