Set the scene for a great party with Discolite's dancing colours!

Discolite keys itself to the tempo of your party — lends a touch of magic to an evening of fun! A colour organ with diffracting lens, Discolite translates bass, treble and midrange tones to three-dimensional starburst patterns. Dancing lights (reds, blues and greens) keep pace with your music, when you add this lovely fantasy to your stereo system! 12 x 12". Plugs into any standard 120 volt outlet. 63-8003
