REALISTIC®

Let DUOFONE® TAD-15 answer your calls when you can't! Never miss another important call!

Even just one missed phone call could affect your life! Plug TAD-15 into your outlet and enjoy the advantages of an answering service — without the expense! Relax when you're tied up in traffic or out on the town! The answering system greets callers with a choice of 2 personal, pre-recorded messages you make yourself, using the built-in condenser mike. Records up to 30 calls and there's a message counter. You can even screen calls — a monitor switch lets you listen while a message is being received. Delay control sets phone to answer after 1 or up to 7 rings. Not for party or multiline use.

Beautiful French-style Continental phone

119.95

Perfect with antique furniture — but this aristocratic phone will lend grace and dignity to any room setting! 14 carat gold filigree on an ivory shade case. It's an accent piece with all the elegance and charm of a past century —to reflect your impeccable taste! Adjust bell volume for low, medium or high. 43-320

Telephone is a versatile compact!

59.95

REALISTIC

This sleek white compact is equally at home in the bedroom or the boardroom! Rotary dial version, designed for fidelity — with the durability to withstand heavy traffic. The bell has an adjustable volume control. Comes with 7' cord and a modular plug. 43-8001

Touch call wall telephone

99.95

REALISTIC

Beige is the colour of this compact wall phone, so it blends with any colour scheme! The standard-size dial, handset and transmission components were chosen for durability and fidelity — then built into a great-looking telephone that's ready to lead an active life! 43-8002
