

# Happier Homes

## Give family handyperson two gifts for price of one plus a penny more!

If the do-it-yourselfer in your family has been dropping some pre-holiday hints about how much more he or she could accomplish around the house with the aid of a stationary power tool, there's a special promotion now in progress that will help all of Santa's helpers select the perfect gift for the handy person on your list.

One of the most popular, practical and multi-purpose tools any person can own is the 10-inch table saw. A table saw is frequently the first choice stationary tool of the do-it-yourselfer because of its inherent accuracy.

It's the ideal tool to use where cutting accuracy is critical—for example, in drawer and cabinet construction.

Additionally, a table saw, with the appropriate accessories, becomes a truly multi-purpose woodworking machine.

From now through the end of the year Rockwell is sponsoring a special 1¢ Sale, which will allow you to realize a savings of nearly \$50 when you purchase the 10-inch Rockwell Homecraft Table Saw.

With every purchase of this popular home workshop-size 10-inch Table Saw, you can buy the Rockwell Model 4601 ½ horsepower High Speed Router—another "must" for advanced craftwork—for just one penny more.

This Rockwell 10-inch Homecraft Saw/Router 1¢ sale special is available while quantities last at participating dealers. If purchased separately, the saw and the 4601 router would cost \$329.98, according to the manufacturer's suggested retail price. However, during

the 1¢ Sale promotion, when you purchase the 10-inch Homecraft Table Saw for the

**AN EXTRA TOOL FOR AN EXTRA PENNY!** That's the terrific offer being made by Rockwell International during their 1¢ Sale promotion, effective through the end of the year at participating dealers. With the purchase of the popular, practical 10-inch Homecraft Table Saw for a suggested retail price of \$279.99, you can additionally purchase the Model 4601 ½ horsepower Router—a regular \$49.99 value—for just one penny more!

manufacturer's suggested retail price of \$279.99, you can additionally purchase the Model 4601 ½ horsepower, double insulated, High Speed Router for just one penny more, bringing the total price of the 1¢ Sale package to only \$280—a \$49.00 savings over the regular list price of the individual tools.

The 10-inch Homecraft Table Saw is U.L. listed and has long-life sealed ballbearing construction. It can cut wood up to 3¼-inch deep at 90 degrees and up to 2 ½-inch deep at 45 degrees. The rip capacity is 24 inches right and left of the blade. The self-contained, high torque power unit is thermal overload protected. The drive mechanism and motor are fully enclosed for safety.

The 10-inch Homecraft has 11 ¾ inches of table space in front of the blade for greater work stability. The large 32-inch by 22-inch work surface including the two heavy duty stamped wings enables the home craftsman to rip to the center of 4-foot by 8-foot paneling.

Additional features of the 10-inch Table Saw include: heavy duty stamped steel stand, self-aligning rip fence for precision cutting, alert orange see-through blade guard, with splitter and anti-kickback attachment, for safety.

Controls are up front for convenience and safety and they are calibrated for accuracy. The on-off switch can be removed for safety.

Also included with the motorized 10-inch Homecraft Table Saw are the stand, the guide bars, two extension wings, miter gauge, table insert, 10-inch combination blade and blade wrenches.

The Rockwell ½ horsepower Model 4601 Router in your "promotion" penny bonus is double insulated and U.L. listed for safety. This unit is a high speed, shaping tool that adds smooth finishing touches to woodworking projects.

The Model 4601 has a high impact housing, accurate dial depth control, a non-marring base and large dual knob handles for sure control. The unit comes complete with a ¼-inch split type collet and two wrenches.

With the proper accessory bits, this 28,000 RPM Router can be used for decorative edging, mortising, dadoing, rabbeting, dovetailing laminate trimming and other operations.

So whether your home handyperson has plans for a new playroom or designs for an intricate cabinet, now is the perfect time to delight your do-it-yourselfer with two important power tools for a special price that no one can afford to miss.
